

First Time Login Instructions

Step	Action	Image
1	<p>Visit www.peoples.com and select Business in the Online Banking login box</p> <p>Enter your Company ID and User ID</p> <p>Click Login</p>	
2	<p>Based on the results of the details gathered about your login behavior, eTreasury+ may require an additional step to identify you through a security code.</p> <p>Click Continue with Security Code</p> <p>If you are not prompted to complete the additional security step, please proceed to step 7.</p>	
3	<p>You can choose to receive the security code through either an automated voice call or a text message.</p> <p>Select how you would like to receive the security code.</p> <p>Click Continue</p> <p>Note: The phone numbers displayed are what are on file for your User ID in eTreasury+.</p>	

Step	Action	Image
4	<p>If you chose the Phone option, you will receive a call from 1-800-525-9248.</p> <p>The phone call will prompt you to enter the security code that appears on eTreasury+.</p> <p>After you have successfully entered the security code, click Phone Call Completed.</p>	
5	<p>If you chose the Text Message option, you will need to enter the Mobile phone number stored in eTreasury+.</p> <p>The text message will provide you with the security code.</p> <p>After you have entered your Mobile phone number, click Send Text Message.</p>	
6	<p>Enter the security code that you received via Text Message.</p> <p>Click Submit.</p>	

Step	Action	Image
7	<p>Click on Set Up Secure Token Sign On</p>	
8	<p>Press your token and enter the One Time Passcode displayed</p> <p>Click Continue</p>	
9	<p>Create and confirm a PIN.</p> <p>The PIN should be 4-8 characters and can be all letters, all numbers or a combination of both.</p> <p>Click Submit</p>	

Step	Action	Image
10	<p>A PIN setup confirmation page will display.</p> <p>Click Sign In</p>	
11	<p>Enter your newly created PIN followed immediately by a new code displayed by your security token in the Passcode field.</p> <p>You cannot enter the same security token code entered in Step 3. Press your security token until a new security token code is displayed.</p> <p>Click Continue</p>	
<p><u>eTreasury+ Security Token Reference Information</u></p> <ul style="list-style-type: none"> • Turn the device on by pressing the ◀ key • Security Token code will change every 30 seconds <p>Questions: Call 1-866-831-5717 Monday – Friday 8:00 am – 5:30 pm</p>		<p><u>Security Tips</u></p> <ul style="list-style-type: none"> • Keep your token in a safe place • Do not share your token • Log out of eTreasury+ when your session is over • Ignore emails asking for personal/sensitive information • Understand spyware and “practice safe computing” • Keep your computer operating system/browser up-to-date • Use a Firewall to detect and prevent unauthorized access • Use anti-spyware and anti-virus software
