

## 12 Ways to Increase Card Rewards & Optimize Cash Flow

Well beyond just travel and entertainment (T&E) payments, business credit cards can be used to pay a wide variety of suppliers and merchants. As employees continue to work remotely, it is more important than ever to reduce reliance on office-based check printing processes. Electronic payment methods make it easy for buyers and suppliers to better manage cash flow and ensure payments are made in a timely and secure way.

### ARE YOU USING YOUR CARD FOR THESE 12 EXPENSES?
