Dear Friends,

People’s United is pleased to share with you our 2019 Community Impact Annual Report.

Each year, it’s a pleasure to reflect on the many ways we contributed to the communities where we live and work, and to share stories of how together, with our nonprofit partners and thousands of volunteers, we are creating thriving, sustainable, productive communities.

In 2019, we continued to build on our long-standing legacy and culture of giving back by investing time, money, and resources to address the needs of our communities through charitable giving, employee engagement, community reinvestments, and outreach efforts.

Throughout the year, we worked alongside our colleagues and in collaboration with community partners to achieve our common goals of improving the quality of life for residents and creating communities where individuals, families, and businesses can prosper. As we celebrate our successes and examine the ongoing needs in the communities we serve, we thank the many individuals, colleagues, and partners who stepped up to make a difference. We’re proud of our progress this past year and look forward to continuing this momentum into the new decade.

JACK P. BARNES
Chairman & CEO, People’s United Bank and Chairman, People’s United Community Foundation
Deepening Our Impact

“We strive to develop long-term strategic relationships within our communities that will help deepen our impact for years to come.”

A CULTURE OF GIVING BACK

We take our responsibility to be good neighbors seriously, as we invest time and money to address the needs of individuals, families, businesses, and entire communities. Our ongoing community partnership efforts consist of the following activities:

CHARITABLE GIVING
We provide charitable contributions in two ways: Initiatives funded through People’s United Bank and grants awarded to eligible nonprofit organizations through the Bank’s two charitable foundations.

EMPLOYEE VOLUNTEERISM
From serving on boards, teaching financial education classes, and participating in fundraising events, People’s United Bank employees are always volunteering and making a difference.

COMMUNITY OUTREACH PROGRAMS
We invest in the financial health and well-being of our neighbors through our Financial Education, First-time Homebuyer Education, and Fraud Prevention community outreach initiatives.

COMMUNITY REINVESTMENTS
People’s United Bank is committed to continuing our extensive legacy of meeting the needs of all communities in our footprint, including those of low or moderate income.

TOTAL IMPACT: $144.8 MILLION

$3.8M
FOUNDATION GRANTS
$3.8 million awarded in grants by People’s United Community Foundations*

$5.4M
BANK CONTRIBUTIONS
$5.4 million in charitable contributions, sponsorships, and volunteer impact from People’s United Bank

$135.6M
INVESTMENTS
$135.6 million in SBA loans and affordable-housing investments

32K
VOLUNTEER HOURS
Over 32,000 volunteer hours contributed by employees

750
FINANCIAL EDUCATION WORKSHOPS
Nearly 750 financial literacy workshops conducted

*Foundations include People’s United Community Foundation and People’s United Community Foundation of Eastern MA.
Our employees are at the center of everything we do.

Every year our employees give generously of their time and talent by serving on boards and committees, participating in fundraising activities, donating goods, providing financial education, and taking an active role in the communities where they live and work.

In 2019, People’s United Bank employees recorded more than 32,000 volunteer hours, valued at over $950,000. In addition, nearly 750 financial education lessons were facilitated, reaching close to 21,000 individuals of all ages, from students in grades K-12, to adults and seniors.

The hours of volunteer time that our employees invested in our communities consisted of various hands-on service projects in collaboration with hundreds of nonprofit organizations; including packing thousands of pounds of food at local food banks, participating in neighborhood cleanups and beautification projects, and raising funds and awareness for meaningful causes.

We are extremely proud of the individual contributions and collaborative efforts that demonstrated People’s United Bank’s culture of giving back.

FINANCIAL EDUCATION INITIATIVES

JA IN A DAY

In an annual partnership with Junior Achievement of Greater Fairfield County, our employees spent the day at High Horizons Magnet School in Bridgeport, CT, teaching students in grades K–8 about savings, spending, career readiness, and more.
VERMONT FOODBANK’S VEGGIEVANGO
A team of employees who volunteered at the Vermont FoodBank packed 7,724 pounds of produce. The food that was sorted later made its way to the Vermont FoodBank’s VeggieVanGo events at schools and hospitals throughout the state, helping to transform produce into a healthy meal shared around the table with families.

MOBERLY’S GIFT OF LIFE
LEAF Commercial Capital, a subsidiary of People’s United Bank, held a blood drive at our Moberly, MO office. The team surpassed its goal and collected 22 units.

SPIRIT OF GIVING
Employees across the Greater Bridgeport region donated hundreds of holiday gifts to help brighten the holidays for 43 families in need. The gifts were delivered through three nonprofit organizations: Sterling House Community Center, the Salvation Army, and DOMUS.

PROJECT BREAD’S WALK FOR HUNGER
People’s United Bank sponsored the Charles River Community Health team for Project Bread’s Walk for Hunger. The funds raised went toward providing food and vouchers to families in need.

STUFF A BUS
Our employees in Long Island, NY partnered with United Way for a school supply collection drive. Employees donated, sorted, and packed up the bus, which made deliveries to local schools to ensure that children had the supplies they need for school success.

PIES, CAKES, & COOKIES, OH MY!
Our employees in the Chesterfield, NH branch held a successful third annual bake-off fundraising event. All bake-off entries were sold, collecting a total of more than $1,700, which was donated to Joan’s Food Pantry.
CONTRIBUTING NEARLY $100 MILLION TO SUPPORT NEIGHBORHOOD REVITALIZATION AND STABILIZATION EFFORTS

In 2019, Bridgeport Neighborhood Trust (BNT) broke ground on one of its latest projects focused on revitalizing Bridgeport’s Downtown West area. The project at 273-301 West Avenue is expected to bring 18 units of mixed-income apartments to the neighborhood.

The $4.6 million West Liberty Commons project is part of a series of housing and commercial developments that BNT has been working on in Downtown West for years.

Financing for the complex was a combination of private and public lenders, including the Connecticut State Department of Housing, which provided roughly $3.2 million to the project. The remaining capital was obtained through private partners, including People’s United Bank, Bridgeport Landing Development, Federal Home Loan Bank of Boston, and the Local Initiatives Support Corporation.

Demand for affordable housing continues to grow. Last year, 140,531 Connecticut households were deemed “extremely low income,” yet only 51,050 affordable rental units were available in the state.

WEST LIBERTY COMMONS, BRIDGEPORT, CT

“Replacing vacant lots with vibrant communities is at the heart of BNT’s work,” said CEO Noah Gotbaum during the groundbreaking ceremony. “Safe, secure, and affordable housing is the key to this city’s and this country’s future. Without it, communities crumble and businesses flee. With it, we attract workers and business.”

Building Community Partnerships

“Together with our community partners, we can have a greater impact on creating more equitable communities and long-term positive change.”

KAREN GALBO
EXECUTIVE DIRECTOR,
PEOPLE’S UNITED COMMUNITY FOUNDATIONS

Boys & Girls Clubs of Hartford, CT. Image by Spencer Sloan.
More than $3.8 million was awarded in grants to more than 600 nonprofit organizations within our communities.

Our commitment to the communities we serve is amplified by the work of our two charitable foundations—People’s United Community Foundation and People’s United Community Foundation of Eastern MA.

Together with our community partners, we addressed some of the most critical issues facing our neighbors and connected them to the resources needed to achieve their goals.

Grants supported programs and services in our primary focus areas of community and economic development; youth development and services; education; affordable housing; social, health, and human services; and arts and culture.

Our community partners inspired us throughout the year, as they worked tirelessly to empower individuals and spur economic growth through a wide range of innovative approaches and programs. We are proud to support the tremendous work of our nonprofit partners that are transforming lives and helping to shape our neighborhoods into vibrant communities.

People’s United is proud to be a part of the collective impact work of so many outstanding nonprofit partners that are committed to a shared goal of bringing positive change to individuals and our communities.

**INVESTING IN THE NEXT GENERATION**

Funding for youth programs and services topped our Foundations’ investments in 2019, with more than $1.3 million allocated to targeted initiatives to help youth reach their full potential.

People's United Bank and our Foundations are deeply rooted in our communities. We are committed to investing in the health and well-being of our neighbors and helping our communities thrive.

To learn more about our charitable giving and community involvement efforts, visit our website at www.peoples.com/about-us/community.

Grant requests that meet our eligibility requirements are accepted through our Foundations.

Additional information regarding our Foundations' giving guidelines and grant application process is available at www.peoples.com/foundations.
