

Community Engagement Company-wide

At People's United Bank, helping our communities grow and thrive has always been an important part of our business. Our local communities are not only where we do business, they are where over 5,500 of our employees have chosen to live and raise their families.

We are proud of our commitment and we are pleased to share the following highlights of our community support in 2018.

- \$4,084,147 in donations and sponsorships to 1,583 charitable organizations from People's United Bank
- \$3,825,882 in grants were awarded to 605 nonprofit organizations from the People's United Community Foundations*
- \$80,182,446 in equity investments advanced to affordable housing projects
- \$356,265 donated to our local United Ways through employee donations
- \$49,934,177 in Small Business Association 7a and 504 loans approved for 103 businesses
- 31,451 hours of employee volunteerism, creating an economic impact of \$882,767
- 782 classes taught through our Financial Education Community Outreach program, reaching 21,601 individuals
