

Please note: This is a reference guide only. The outcomes measurements that you identify as appropriate for your funding request may be found under more than one category/subcategory. (Example: *Number of participants that become aware of services and/or supports* is found under the *Human Services/Family Services* Category, but may be appropriate for an *Affordable Housing* request.)

Measure	Category	Subcategory
Number of households that engage in needed housing support services	Affordable Housing	Housing Access/Stability
Number of households whose housing and/or basic needs are met	Affordable Housing	Housing Access/Stability
Number of households whose situation is stabilized	Affordable Housing	Housing Access/Stability
Number of households that connect to additional supports to improve their housing situation	Affordable Housing	Housing Access/Stability
Number of households that maintained housing stability for more than 6 months	Affordable Housing	Housing Access/Stability
Number of households that maintained housing stability for more than 1 year	Affordable Housing	Housing Access/Stability
Number of tenants receiving housing subsidies	Affordable Housing	Housing Access/Stability
Number of individuals served that transition from shelter to housing	Affordable Housing	Housing Access/Stability
Number of individuals sheltered/living in transitional/supportive housing	Affordable Housing	Housing Access/Stability
Number of participants who attend financial education classes	Affordable Housing	Housing Access/Stability
Number of households that engage in foreclosure prevention/remediation services	Affordable Housing	Home Ownership
Number of households that avoid foreclosure	Affordable Housing	Home Ownership
Number of clients that purchase a home	Affordable Housing	Home Ownership
Total amount obtained by clients in down payment /closing costs	Affordable Housing	Home Ownership
Number of households that set goals for obtaining permanent housing and develop an action plan	Affordable Housing	Home Ownership
Number of households that secure a home loan/mortgage	Affordable Housing	Home Ownership
Number of households that confirm identifying and closing on a property	Affordable Housing	Home Ownership
Amount of loan funds available to support the program	Affordable Housing	Housing Development

Number of loans received to support the program	Affordable Housing	Housing Development
Number of hours of technical assistance provided	Affordable Housing	Housing Development
Number of housing units constructed	Affordable Housing	Housing Development
Number of single-family units created	Affordable Housing	Housing Development
Number of multi-family housing developments created	Affordable Housing	Housing Development
Number of households that receive home repairs	Affordable Housing	Home Repair/Weatherization
Number of households that receive weatherization services	Affordable Housing	Home Repair/Weatherization
Number of home repair projects completed	Affordable Housing	Home Repair/Weatherization
Number of weatherization projects completed	Affordable Housing	Home Repair/Weatherization
Number of participants served	Community and Economic Development	Employment
Number of participants that assess current skills, interests, and set employment goals	Community and Economic Development	Employment
Number of participants that demonstrate new occupational skills or educational credentials	Community and Economic Development	Employment
Number of participants that use their new skills to obtain a living wage job	Community and Economic Development	Employment
Number of participants that retain a living wage job for 3 months	Community and Economic Development	Employment
Number of participants that retain a living wage job for 6 months	Community and Economic Development	Employment
Number of participants that confirm positive impact job has had on their quality of life	Community and Economic Development	Employment
Number of participants that express interest in career advancement	Community and Economic Development	Employment
Number of participants that demonstrate new skills or obtain credentials towards achieving career goals	Community and Economic Development	Employment
Number of participants that identify and apply for career advancement options	Community and Economic Development	Employment
Number of participants that advance to next level of employment	Community and Economic Development	Employment
Number of participants that retain new position for at least 6 months	Community and Economic Development	Employment
Number of employers engaged in the program	Community and Economic Development	Employment
Number of employers in the program that partner with local non-profits to provide skill and vocational training programs to underserved populations	Community and Economic Development	Employment

Number of employers in the program that change policies and practices to support the training and hiring of underserved populations	Community and Economic Development	Employment
Number of employers in the program that hire underserved populations for living wage jobs	Community and Economic Development	Employment
Number of small businesses or entrepreneurs that participate in the program	Community and Economic Development	Entrepreneurship
Number of participants that express interesting in starting or expanding a business	Community and Economic Development	Entrepreneurship
Number of participants that demonstrate the business and/or financial skills needed to successfully run or expand a business	Community and Economic Development	Entrepreneurship
Number of participants that develop a detailed business plan and obtain needed resources	Community and Economic Development	Entrepreneurship
Number of participants that start a new business	Community and Economic Development	Entrepreneurship
Number of participants that implement business expansion efforts	Community and Economic Development	Entrepreneurship
Number of participants that confirm start up is complete for their business	Community and Economic Development	Entrepreneurship
Number of participants that confirm their business's expansion is complete	Community and Economic Development	Entrepreneurship
Number of participants that confirm additional revenue generation	Community and Economic Development	Entrepreneurship
Number of participants that confirm additional employment opportunities for underserved populations	Community and Economic Development	Entrepreneurship
Number of participants served (Financial education)	Community and Economic Development	Financial Education
Number of participants that demonstrate financial knowledge and skills	Community and Economic Development	Financial Education
Number of participants that set financial goals and set an action plan	Community and Economic Development	Financial Education
Number of participants that use plan of action to follow a budget, create savings, or protect existing assets for the first time	Community and Economic Development	Financial Education
Number of participants that maintain positive change in financial behaviors	Community and Economic Development	Financial Education
Number of participants that build financial assets	Community and Economic Development	Financial Education
Number of participants that preserve financial assets	Community and Economic Development	Financial Education
Number of students in the program who demonstrate increased ESL proficiency	Education	Bilingual Education
Number of students in the program who show improvements in language proficiency	Education	Bilingual Education
Number of children served (Early childhood education)	Education	Early Childhood Education
Number of children that are enrolled in high quality early childhood development programs	Education	Early Childhood Education

Number of children that participate in development assessment	Education	Early Childhood Education
Number of children that attend early childhood classes on a consistent basis	Education	Early Childhood Education
Number of children that demonstrate age-appropriate developmental milestones	Education	Early Childhood Education
Number of children that master cognitive, social, physical, and emotional competencies (developmental milestones) to enter the primary school system	Education	Early Childhood Education
Number of children that enter into kindergarten at expected or higher development levels	Education	Early Childhood Education
Number of early childhood education teachers or educators served	Education	Early Childhood Education
Number of teachers or educators that express an interest in and develop a plan to obtain necessary skills to improve the quality of early childhood education programs	Education	Early Childhood Education
Number of teachers or educators that participate in programs to obtain skills required to improve the quality of early childhood education programs	Education	Early Childhood Education
Number of teachers or educators that demonstrate new skills required to improve quality rating of early childhood education programs	Education	Early Childhood Education
Number of teachers or educators that use new skills to increase gains for children in early childhood education programs	Education	Early Childhood Education
Number of teachers or educators that contribute to the same early childhood education center for at least 18 months	Education	Early Childhood Education
Number of parents or guardians served (Early childhood education)	Education	Early Childhood Education
Number of parents or guardians that demonstrate an understanding of their child's developmental expectations	Education	Early Childhood Education
Number of parents or guardians that read to their child daily	Education	Early Childhood Education
Number of parents or guardians that actively support their child's learning via participation in homework, teacher conferences, school activities, etc.	Education	Early Childhood Education
Number of schools served	Education	Education
Number of participants served (Education)	Education	Education
Number of educational events held	Education	Education
Number of children that are enrolled in high quality education	Education	Education
Number of teachers, guidance counselors, or school administrators trained to provide high-quality education	Education	Education
Number of participants who are at or above the appropriate grade level for reading	Education	Education
Number of participants who are at or above the appropriate grade level for math	Education	Education
Number of participants that meet school attendance requirements	Education	Education
Number of participants who demonstrate an increase in academic performance or ability	Education	Education Services

Number of youth served (Education services)	Education	Education Services
Number of youth that identify gaps to achieving post high school success	Education	Education Services
Number of youth that set goals to address achievement gaps towards post high school success	Education	Education Services
Number of youth that make improvements required for post high school success	Education	Education Services
Number of youth that graduate high school or obtain a GED	Education	Education Services
Number of youth that achieve academic, financial, and social milestones required for success	Education	Education Services
Number of youth that successfully achieve success (e.g. enroll in college, military, or start a career)	Education	Elementary and Secondary Education
Number of students in the program who complete 8th grade	Education	Elementary and Secondary Education
Number of students in the program who complete 12th grade	Education	Elementary and Secondary Education
Number of students in the program who enter post-secondary education	Education	Elementary and Secondary Education
Number of elementary or secondary education students in the program who report improved academic performance	Education	Elementary and Secondary Education
Number of elementary or secondary education students in the program showing improvement of at least one letter grade	Education	Elementary and Secondary Education
Number of elementary or secondary education students in the program showing a 10% improvement in their assessment scores	Education	Elementary and Secondary Education
Number of elementary or secondary education students in the program showing an increase in average daily attendance	Education	Elementary and Secondary Education
Number of elementary or secondary education students in the program showing a reduction in disciplinary actions	Education	Elementary and Secondary Education
Number of students in the program who are at the appropriate reading level by 3rd grade	Education	Elementary and Secondary Education
Number of adults in the program who demonstrate increased ESL proficiency	Education	ESL and Second Language Acquisition
Number of adults in the program who show improvements in language proficiency	Education	ESL and Second Language Acquisition
Number of people in the program who complete a bachelor's degree	Education	Higher Education
Number of people in the program who complete a master's degree	Education	Higher Education
Number of higher education students in the program reporting improved academic performance	Education	Higher Education
Number of higher education students in the program showing improvement of at least one letter grade	Education	Higher Education
Number of higher education students in the program showing a 10% improvement in their assessment scores	Education	Higher Education
Number of students in the program who enter the health field	Education	Higher Education

Number of students served (Higher education)	Education	Higher Education
Number of students that express interest in higher education	Education	Higher Education
Number of students that enroll in programs to achieve the necessary academic, financial, and social milestones to enter a higher education program	Education	Higher Education
Number of students that make improvements in meeting academic, financial, and social milestones	Education	Higher Education
Number of students accepted to a postsecondary educational institution	Education	Higher Education
Number of students that enroll in postsecondary education	Education	Higher Education
Number of students that successfully complete postsecondary education	Education	Higher Education
Number of teachers, guidance counselors, or school administrators trained to provide high-quality STEM education	Education	STEM Education
Number of students who complete STEM-related training	Education	STEM Education
Number of youth served (Vocational secondary education)	Education	Vocational Secondary Education
Number of youth on track to obtain a high school diploma or GED	Education	Vocational Secondary Education
Number of youth that become aware of possible career paths and select a possible path to achieve their life goals	Education	Vocational Secondary Education
Number of youth that demonstrate proficiency in social, emotional, academic, or vocational skills for their selected career path	Education	Vocational Secondary Education
Number of youth that get on-the-job training or apprenticeship	Education	Vocational Secondary Education
Number of youth that obtain a high school diploma or GED	Education	Vocational Secondary Education
Number of youth that develop a plan to begin their chosen career path	Education	Vocational Secondary Education
Number of youth that obtain a job in their chosen career with opportunity for advancement	Education	Vocational Secondary Education
of households affected by crisis whose emergency needs are met	Human Services	Basic and Emergency Aid
Number of homes affected by crisis that are rehabilitated or weatherized	Human Services	Basic and Emergency Aid
Number of households affected by crisis who move from temporary substandard housing into stable standard housing	Human Services	Basic and Emergency Aid
Number of households served	Human Services	Basic and Emergency Aid
Number of households that address their immediate basic needs	Human Services	Basic and Emergency Aid
Number of households that stabilize their immediate needs	Human Services	Basic and Emergency Aid
Number of households that build new skills and capacities	Human Services	Basic and Emergency Aid

Number of households that connect to additional supports to improve their quality of life	Human Services	Basic and Emergency Aid
Number of households served that move from crisis to stable on a self-sufficiency index	Human Services	Basic and Emergency Aid
Number of households served that receive cash assistance to cover basic needs	Human Services	Basic and Emergency Aid
Number of households served that are enrolled in SSI or other benefit program	Human Services	Basic and Emergency Aid
Number of households served that are affected by crisis	Human Services	Basic and Emergency Aid
Number of participants served	Human Services	Family Services
Number of participants needing services or support	Human Services	Family Services
Number of participants whose immediate economic, social, or physical needs are addressed	Human Services	Family Services
Number of participants whose immediate situation is stabilized	Human Services	Family Services
Number of participants who engage in additional and appropriate programs or services	Human Services	Family Services
Number of participants who build new skills and capacities	Human Services	Family Services
Number of participants that connect to new social, economic or physical needs	Human Services	Family Services
Number of participants that confirm their well-being	Human Services	Family Services
Number of participants that become aware of services and/or supports	Human Services	Family Services
Number of participants that enroll and begin using services or supports	Human Services	Family Services
Number of participants that identify a plan to improve their quality of life	Human Services	Family Services
Number of participants that take steps to improve their quality of life	Human Services	Family Services
Number of participants that make healthy choices in social and economic situations	Human Services	Family Services
Number of participants that confirm a positive impact on their social and economic situations	Human Services	Family Services
Number of participants provided with food aid	Human Services	Food Aid
Number of participants that become aware of food aid option or sources	Human Services	Food Aid
Number of participants that sign up for food aid options	Human Services	Food Aid
Number of participants that get food needs met by the program in the short term	Human Services	Food Aid
Number of participants that get food needs met by the program on a regular basis	Human Services	Food Aid

Number of participants that connect to needed resources and supports to become food secure	Human Services	Food Aid
Number of participants that confirm the ability to re-direct funds to meet other basic needs once food needs are met	Human Services	Food Aid
Number of nonprofits that increase their financial sustainability	Philanthropy	Nonprofits
Number of nonprofits that serve persons in poverty	Philanthropy	Nonprofits
Number of nonprofits that reduce their costs	Philanthropy	Nonprofits
Number of nonprofits that integrate performance management practices and systems	Philanthropy	Nonprofits
Number of volunteers that contribute their skills to the community	Philanthropy	Voluntarism
Number of volunteers that provide financial support to nonprofits	Philanthropy	Voluntarism
Number of volunteers that confirm the benefits of volunteering	Philanthropy	Voluntarism
Number of volunteers that actively recruit others to volunteer	Philanthropy	Voluntarism
Number of people that get their basic needs met after a disaster	Public Safety	Disasters and Emergency Management
Number of people that are temporarily resettled after a disaster	Public Safety	Disasters and Emergency Management
Number of people that are permanently resettled after a disaster	Public Safety	Disasters and Emergency Management
Number of communities that have a disaster prevention plan	Public Safety	Disasters and Emergency Management
Number of communities that complete reconstruction after a disaster	Public Safety	Disasters and Emergency Management
Number of individuals trained in emergency preparedness, response, and/or rehabilitation	Public Safety	Disasters and Emergency Management
Number of households that return to pre-disaster living conditions	Public Safety	Disasters and Emergency Management
Number of facilities, businesses, and/or infrastructure that return to pre-disaster conditions	Public Safety	Disasters and Emergency Management
