

**Disclosure Statement for People's United Advisors, Inc.:**

Investment advisory services are provided by People's United Advisors, Inc. ("PUA"), an SEC registered investment advisor. Advisory services are subject to advisory fees as disclosed on Form ADV.

Please Note: Advisory Fee Calculation: PUA remains prepared to provide you with a description of how your advisory fee was calculated, or any questions that you may have regarding your fee.

Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment, investment strategy (including the investments and/or investment strategies recommended or undertaken by PUA) or product made reference to directly or indirectly by PUA in its web site, or indirectly via a link to an unaffiliated third party web site, will be profitable or equal the corresponding indicated performance level(s). Different types of investments involve varying degrees of risk, and there can be no assurance that the future performance of any specific investment, investment strategy, or product (including the investments and/or investment strategies recommended or undertaken by PUA), or any non-investment related content, made reference to directly or indirectly on this site will either be suitable or profitable for a client or prospective client's investment portfolio. Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, or the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results.

Certain portions of PUA's web site (i.e. blog, newsletters, articles, commentaries, etc.) may contain a discussion of, and/or provide access to, PUA's (and those of other investment and non-investment professionals) positions and/or recommendations as of a specific prior date. Due to various factors, including changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). Moreover, no client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from PUA, or from any other investment professional. PUA is neither an attorney nor accountant, and no portion of the web site content should be interpreted as legal, accounting or tax advice.

Rankings and/or recognition by unaffiliated rating services and/or publications should not be construed by a client or prospective client as a guarantee that he/she will experience a certain level of results if PUA is engaged, or continues to be engaged, to provide

investment advisory services, nor should it be construed as a current or past endorsement of PUA by any of its clients. Rankings published by magazines, and others, generally base their selections exclusively on information prepared and/or submitted by the recognized adviser.

To the extent that any client or prospective client utilizes any economic calculator or similar device contained within or linked to PUA's web site, the client and/or prospective client acknowledges and understands that the information resulting from the use of any such calculator/device, is not, and should not be construed, in any manner whatsoever, as the receipt of, or a substitute for, personalized individual advice from PUA, or from any other investment professional.

**Each client and prospective client agrees, as a condition precedent to his/her/its access to PUA's web site, to release and hold harmless PUA, its officers, directors, owners, employees and agents from any and all adverse consequences resulting from any of his/her/its actions and/or omissions which are independent of his/her/its receipt of personalized individual advice from PUA.**

#### **TERMS AND CONDITIONS**

PUA and its representatives are in compliance with the current filing requirements imposed upon SEC registered investment advisers by those states in which PUA maintains clients. PUA may only transact business in those states in which it is registered, or qualifies for an exemption or exclusion from registration requirements. PUA's web site is limited to the dissemination of general information pertaining to its advisory services, together with access to additional investment-related information, publications, and links. Accordingly, the publication of PUA's web site on the Internet should not be construed by any consumer and/or prospective client as PUA's solicitation to effect, or attempt to effect transactions in securities, or the rendering of personalized investment advice for compensation, over the Internet. Any subsequent, direct communication by PUA with a prospective client shall be conducted by a representative that is either registered or qualifies for an exemption or exclusion from registration in the state where the prospective client resides. For information pertaining to the registration status of PUA, please contact the SEC or the state securities regulators for those states in which PUA maintains a notice filing.
