Your Signature

Your signature (or mark) on the signature card, whether made on paper or made electronically, is your authorized signature. You may be asked to make your signature or mark on a computerized “signature pad”, which will allow us to store your signature electronically for comparative purposes.

You may authorize the use of a replica signature device, for example, a rubber stamp. The authorization may only be made by following our procedures that are in place at the time. If you authorize the use of a replica signature device we may honor any check or instruction that

account you have with us, you authorize us to recognize your signature,

not be genuine.

account with us and you must provide us with a new mailing address
whenever the last one you gave is no longer correct. If you wish to use
any of our online services, you will need to provide us with your valid
email address and with your new email address whenever the email
address you gave us is no longer correct. We are not responsible for any
loss caused if you give us an incorrect address or email address, or if you
do not give us a new mailing address or email address.

**Identification When Opening an Account**

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A
NEW ACCOUNT. To help the government fight the funding of terrorism
and money laundering activities, federal law requires all financial institu-
tions to obtain, verify, and record information that identifies each person
who opens an account.

What this means for you: When you open an account, we will ask for
documents pertaining to the organization of your business. We will also
ask for the names, addresses, dates of birth and other information that
will allow us to identify any persons authorized to act on your behalf.
People's United, in its sole discretion, will establish from time to time the
types of documents which will be deemed acceptable identification for
account opening and other identification purposes.

You agree to provide us with accurate updated information includ-
ing: your legal business name and trade name, if applicable; an accurate
Employer Identification Number; your legal business address and
mailing address (if different); a current and working business telephone
number; your business type; the date of establishment; your
estimated cash deposit amount; whether you expect to utilize domestic
or international wire services; whether you expect to utilize Automated
Clearing House (ACH) services; and all other information that may be
requested by People's United. We reserve the right to ask you to disclose
the source of any cash deposits used to open the account.

Your current and any future principals, members, officers, or partners
and your current and any future authorized signers on the account(s)
agree to supply us with a complete, legal individual name, date of birth,
Social Security Number, Tax Identification Number from the Internal
Revenue Service, and home address and mailing address (if different), a
current and working home telephone number, and a current and work-
ing business telephone number. Your current and any future principals,
members, officers, or partners and your current and any future autho-
rized signers agree to supply us with two forms of identification that are
acceptable to People's United (including photo identification). People's
United may verify your identity.

People's United may verify all information regarding you, your prin-
cipals, members, officers or partners and all authorized signers on the
account. People's United may contact credit reporting bureaus regard-
ing your credit history as well as the credit histories of your principals,
members, officers, partners, or authorized signers whenever you open
an account or whenever any account information changes. We have the
right to refuse to accept any funds for deposit or hold deposited funds
until we receive a credit history report that is satisfactory to us. We have
the right not to immediately open your account and we have the right
to close your account if we are unable to verify any or all of the informa-
tion regarding you, your business, your principals, members, officers, or
partners or any authorized signers on the account. If you ask, we will tell
you the name of any credit bureau from which we obtained the credit
report. If we determine that your business engages in money service
or check-cashing activity, we may ask you for specific documentation including documentation to verify that your business has an established anti-money laundering compliance program as required by law.

You may use your People’s United ATM Card and/or MasterMoney BusinessCard Debit Card at a PIN Entry Device (PED) in our branches to speed the identification process prior to a transaction or other inquiry. Any use of the PED, including the card use and/or the entry of any information (e.g. PIN number, signature, name, etc.) will not be considered the use of an access device and will not be subject to the Business Electronic Banking Agreement. However, if your ATM Card or MasterMoney BusinessCard Debit Card has not been activated, you will be required to activate it to use your card at a PIN Entry Device.

Taxpayer Identification Number Required

When you open your account, you must certify to us a correct Taxpayer Identification Number (TIN). For individuals, sole proprietors, and single-member limited liability companies, the Bank will allow the use of your Social Security Number as the TIN. For other entities, the TIN is your Employer Identification Number (EIN). The primary TIN (the TIN associated with the first named person or entity on the account title) will be used for IRS information reporting purposes. If you are a nonresident alien, you must certify to us this fact and provide us with a Form W-8 listing your permanent (foreign) address. If you are an exempt organization you must provide us with your Employer Identification Number and a signed Form W-9 certifying your exemption.

If you are an individual or exempt organization and do not provide us with your correct TIN, or if you are a nonresident alien and do not provide us with a signed Form W-8, your account earnings, if any, may be subject to backup withholding assessed by the IRS.

If we are notified by the IRS that you have used an incorrect TIN or that you have failed to report all your reportable interest and dividends to the IRS, your account will be subject to backup withholding.

If you do not provide us with your correct TIN or if you are a nonresident alien and do not provide us with your permanent address, we reserve the right to close your account.

Dual Signature Requirements Not Permitted

People’s United does not accept an account for individuals or businesses that require the signature of two or more persons for a withdrawal. If more than one person is authorized to write checks or draw items on your account, you agree that we can honor checks signed by any individual authorized signer, even if there are two or more signature lines on the items and two signatures are required according to your own internal standards. You expressly represent that any signature requirement that you may have now or in the future does not and will not apply to People’s United.

Furthermore, notwithstanding any provisions to the contrary on any signature card or other agreement you may have with us, you agree that if any account purports to require two or more signers on items drawn on an account or withdrawals from the account, such provision is solely for your own internal control or other personal purposes and is not binding on People’s United which is authorized to honor checks signed by a single authorized signer. Further you agree to hold People’s United harmless from any claims against us alleging that two signatures were required.

Earnings Credit

If your Business Checking Account receives an earnings credit each month, any calculated earnings credit amount can be used to offset certain monthly account charges. If the earnings credit is less than the monthly account charges, you will be assessed an account charge for the difference. If the earnings credit is greater than or equal to the monthly account charges, no account charge will be assessed. Any excess earnings credits cannot be carried over to the next month. The earnings credit amount is calculated based on 90% of the month’s average collected balance in your Business Checking Account, assuming a reserve requirement of 10%. The earnings credit rate is set by us monthly based on market conditions.

SPECIAL ACCOUNT TYPES

Fiduciary Accounts

This is an account that you open as a fiduciary as defined under applicable state law. A fiduciary includes a personal or entity representative, such as an executor or administrator of an estate and a trustee under a trust agreement or will. In this type of account, the funds belong
to the underlying entity or legal beneficiary and only an authorized fiduciary may withdraw or transfer funds from the account.

Money Market Checking Accounts

A Money Market Checking Account is a Savings Account that is offered limited access to check writing features. Federal regulations limit certain withdrawals on Statement Money Market accounts to no more than six (6) of the following: Pre-authorized transfers, automatic transfers including overdraft protection, transfers by telephone including fax, ACH debits, wires or with online banking services, checks, drafts or debit card transactions per statement cycle.

Clients’ Funds Accounts

This is an account that is opened by an entity such as an attorney, title insurance company, or mortgage lender with funds belonging to multiple clients where interest is paid for the benefit of a statutory program (e.g. a bar foundation). People’s United Bank supports these types of accounts by means of the Clients’ Funds Business Checking Account. Any interest earned on these accounts is sent electronically to the applicable statutory program on a periodic basis. Clients’ funds are co-mingled, meaning that the entities may deposit funds from multiple clients into the account. It is the entity’s responsibility to keep records of their respective clients. 1099-INT forms are not produced for Clients’ Funds Business Checking accounts.

People’s United will follow the statutory program rules, as set forth in each state for which the Bank supports the applicable program. There may be specific requirements established by applicable laws, rules, and/or regulations concerning the suitability of deposits made to a Clients’ Funds Business Checking Account. Different rules may apply in different jurisdictions and your responsibility to monitor appropriate usage of the account per the applicable Requirements.

People’s United Bank also supports similar Real Estate trust accounts by means of the Real Estate Business Checking Account. These accounts can be opened by a Real Estate Broker or Real Estate Agency or similar entity with funds belonging to multiple clients where interest is paid for the benefit of a statutory program (such as a Housing Authority), sometimes also known as IORETA or IOREBTA accounts. Any interest earned on these accounts is sent electronically to the applicable statutory program on a periodic basis. Clients’ funds are co-mingled, meaning that the entities may deposit funds from multiple clients into the account. It is the deposit account owner’s responsibility to keep records of their respective clients. 1099-INT forms are not produced for Real Estate Business Checking Account accounts.

People’s United Bank also supports a “Single Client Funds” trust account by means of the Escrow Advantage Checking Account, Escrow Advantage Checking Account with Interest, Escrow Advantage Savings Account, and Escrow Advantage Money Market Account. These accounts may be opened by an attorney or law firm, a title insurance company or mortgage lender, or a Real Estate Broker or Real Estate Agency or similar entity where interest is paid for the benefit of the client as recipient of the Escrow funds to be held under Trust. These accounts can also be opened by entities holding funds in Escrow or under Trust for other business purposes, such as landlords for tenants, or for establishing, holding, or disbursing funds under agreed upon contracts. In these accounts, no interest gets sent to any applicable statutory program on a periodic basis. The account must carry the individual client’s name and social security number or employer identification number for interest reporting purposes. Generally there may be statutory or regulatory requirements limiting or proscribing the use of Single Client Fund accounts. For example the amount to be held in trust may be required to be greater than $10,000 or may be expected to be held for a period of more than sixty business days. It is the deposit account owner’s responsibility to keep records of their respective clients’ funds; however 1099-INT forms are produced for Escrow Advantage Checking Accounts with Interest, Escrow Advantage Savings Accounts, and Escrow Advantage Money Market Accounts.

When establishing any of these Clients’ Funds Account types, you agree to certify your eligibility for such statutory programs by means of signing or otherwise placing your mark on the applicable program’s designated and approved form(s) and any other documents that we may require. You also acknowledge that any time a draft is presented against a Clients Funds Checking Account containing insufficient funds, the Bank may be required to send a report to the applicable state authority. This report may be required to be sent irrespective of whether
the instrument was honored, and may apply to various types of Clients’ Fund Accounts, and other similar accounts.

**Deposit Escrow Sub-Account Reporting Services**

People's United Bank offers reporting services for law firms, real estate companies, property managers, title companies, municipalities and any other business that manages escrow funds for multiple clients. In order to use this service, we require that you utilize a Client Escrow Checking or a Municipal Escrow Checking, as the “Master” account. We reserve the right to designate or require a different account type. You will be provided one consolidated statement for all of your client sub-accounts. We require that you utilize an Escrow Business Money Market Checking or a Municipal Escrow Money Market Checking Account for the sub-accounts that are linked to the master account.

When funds are held in the above named account types, and you subscribe to Deposit Escrow Sub-Account Reporting Services, People's United Bank will produce 1099-INT forms for your escrow beneficiaries and will report earnings on the account to the Internal Revenue Service on your behalf. We will also mail 1099-INT forms and/or statements directly to your escrow beneficiaries and provide you with 1099 interest summary reports for your own firm. You agree to pay any applicable fees set forth by People's United Bank and you hereby waive your right to any amount of administrative fee credits that may or may not be supported by People's United Bank now or in the future. You also agree that any applicable statutory requirements related to the rate of interest to be paid to your escrow beneficiaries may or may not be supported by People's United Bank and it is your sole responsibility to ensure compliance to any local, state, or federal requirements related to the minimum rate of interest to be paid on funds deposited to Escrow accounts.

When establishing any of these Escrow Account types, you agree to certify your eligibility for such services by means of signing or otherwise placing your mark on any documents that we may require, which may or may not include a separate Agreement. You also agree to certify your client’s Taxpayer Identification Number(s) (TINs) on their behalf so that we may accurately report interest income. You agree that People's United Bank will not be held liable for incorrect or otherwise erroneous TINs certified by you on behalf of your clients. You also acknowledge that any time a draft is presented against any of these Escrow Account types containing insufficient funds, the Bank may be required to send a report to the applicable Statewide Grievance Committee. This report may be required to be sent irrespective of whether the instrument was honored, and may apply to various types of Clients’ Fund Accounts, and other similar accounts.

**Lottery Business Checking Accounts**

This is an account that is opened by a Registered Lottery Agent in the applicable state in which it conducts business and is designed to meet each state’s lottery commission requirements by means of a dedicated account for lottery purposes, whose funds are not to be co-mingled with operating funds. This account is deemed ineligible for electronic funds transfer, except for those transactions initiated by the applicable State Lottery commission.

People's United Bank supports these accounts by means of the Lottery Business Checking Account. When establishing this account type, you agree to provide the Bank with copies of your Lottery registration documents and any other related documents upon request. It is your sole responsibility to properly maintain account records and to not engage in restricted account transactions or activities related to Lottery sales. You agree to indemnify and hold People's United harmless from and against any and all claims, losses, costs, expenses, or damages, including court costs and attorney’s fees, arising out of, connected with, or related to any and all actions you take on your Lottery Business Checking Account. This indemnification will be binding upon you, your representatives, heirs, or beneficiaries, and upon any owner or other authorized signer on the account. We will not agree to monitor or otherwise restrict account activity per any applicable state Lottery Commission’s rules or regulations.

**Cash Management/Treasury Management Business Checking Accounts**

This is an account that is opened by any business entity that has entered into a separate agreement for certain services provided by People’s United Bank to aid in fraud detection, automated sweep of funds, collection and disbursement of funds, or advanced reporting of account information.

Generally, People’s United Bank supports these service relationships
by means of the Cash Management Business Checking Account. When establishing a Cash Management relationship with the Bank, you agree to utilize this account type (or other account type deemed eligible by People's United in its sole discretion), and to execute any and all separate agreement(s) applicable to the services in which you wish to subscribe. For more information about these services, contact a branch representative or designated Business Banker or relationship manager.

**Accounts for Municipalities**

People's United Bank Board of Directors has adopted a resolution to secure municipal deposits and execute Security Agreements with municipal depositors exceeding $100,000 in accordance with the federal Financial Institution Reform, Recovery and Enforcement Act of 1989 (FIRREA). The approval is reflected in the minutes of the board and is an official record of People's United.

On November 14, 1994, the People's United Bank Trust Department entered into an agreement with the Commissioner of Banking of the State of Connecticut for the purpose of granting a perfected first priority security interest for public deposits of People's United Bank to the Connecticut Commissioner of Banking for the benefit of public depositors by the segregation of "eligible collateral" as that term is defined by the Act.

Generally, People's United Bank supports these relationships by means of Municipal Deposit Accounts and Cash Management Services. For more information about these services, contact a branch representative or designated Business Banker or relationship manager.

**Accounts for Government Agencies and/or Organizations**

In addition to local municipal government relationships, People's United Bank also supports State and Federal level government relationships by means of Government Deposit Accounts and Cash Management Services. For more information about these services, contact a branch representative or designated Business Banker or relationship manager.

**Minors' Accounts**

People's United will not open a business deposit account for a minor.

**Interest Bearing Checking Accounts**

Federal law limits the types of depositors who are eligible to hold certain types of interest bearing checking accounts. You are eligible to hold an interest bearing checking account if you are a sole proprietor, or a non-profit organization operated for religious, philanthropic, charitable, educational, or other similar purposes, as described in the Internal Revenue Code Sections 501 (c) (3) through (13), (19), Section 527, and Section 528. Other product eligibility restrictions may apply.

At account opening, you will be required to certify your eligibility for such privileges, and you agree to indemnify and hold us harmless from and against any and all claims, losses, costs, expenses, or damages, including court costs and attorney's fees, arising out of, connected with, or related to the payment of interest on your interest bearing checking account. This indemnification will be binding upon you, your representatives, heirs, or beneficiaries, and upon any owner or other authorized signer on the account.

You will find details related to how People's United pays interest on these product types in the Business Deposit Account Schedule of Interest. Contact us for clarification of eligibility requirements by sending us your question online, phoning our Call Center, or checking with your branch representative for clarification.

**Related Accounts**

People's United in its sole discretion may allow a business to establish a set of related business deposit accounts. Any and all permitted related accounts must have the same legal business entity listed as the common owner name with the same Taxpayer Identification Number in common with the "anchor" or "master" checking account in order to be related to the same combined statement and/or applicable service charge package. We reserve the right to limit or change at any time the number and/or type of other business deposit, loan, or investment accounts that you may open or add to your package of related business accounts for combined statements or service charge benefits (if applicable).

**TRANSACTIONS**

**Identification When Making Transactions on Accounts**

We require proper identification, as determined in our sole discre-
tion, to make any withdrawal from any account and prior to accepting certain deposits.

People’s United, in its sole discretion, will establish from time to time the types of documents which will be deemed acceptable identification for account opening and other identification purposes.

We may require more than one form of identification for our protection and yours, or as required by law. There are also occasions when we reserve the right not to accept a check for deposit or cash, even though more than one form of identification is provided.

Right to Refuse Any Transaction or Account or to Close or Discontinue Accounts

We reserve the right to refuse to accept any new account or any deposit or withdrawal, to refuse to provide any service, to freeze or otherwise restrict an account, to stop offering any particular type of account, and to close any account, all without cause and without prior notice. If we close your account, we may hold any funds in the account for a period of time to prevent losses to us from outstanding or returned items, etc. Rights and obligations accruing prior to termination of an account or service, by you or us, will survive such termination.

We may refuse a withdrawal request if: (i) the withdrawal would be paid from cash, checks, or other items not yet available for withdrawal; (ii) any identification or any documentation we require or the law requires in connection with the withdrawal has not been provided to us; (iii) we have received a court order or other legal document prohibiting withdrawal, (iv) the withdrawal is prohibited by law. (v) there is a dispute involving the account, (vi) the account owner owes us money which is due, (vii) the account is security for a debt, (viii) an owner or a person we believe to be the agent of an owner requests that we do not permit withdrawals, (ix) a problem occurs with our equipment, (x) such action is otherwise required by law, or (xi) subject to applicable law, for any other reason in our sole discretion.

We reserve the right to require such documentation or authorization as we may reasonably deem necessary or appropriate to determine that the person requesting or directing the withdrawal of funds in an account has the authority to do so. You agree to indemnify and hold us harmless from and against any and all claims, losses, costs, expenses, or damages, including court costs and attorney’s fees, arising out of, connected with, or related to our refusal to pay or release funds where the refusal is based on the failure to provide the documents or authorization required by us. This indemnification will be binding upon you, your representatives, heirs, or beneficiaries, and upon any owner or other authorized signer on the account.

Checks with Printed Limitations Not Permitted

Generally we will not accept an account that places limitations on checks. You agree not to place any language on any checks you write which restricts the time during which we may pay the check or which makes a check void if written for more than a certain dollar amount, such as “void if cashed after 90 days,” or “void if over $500.00.” If you do so, we do not have to follow the time limits or amount restrictions set forth on the check and you will be responsible for the check as written.

Checks Made Payable to You

Checks deposited in your account must be made payable to the name of your business as it appears on the signature card. You may not deposit any check into your account that is not made payable to the name of your business or to “cash.” In our sole discretion we may refuse to accept any checks made payable to your business for cash over the counter.

Endorsing Items

If you cash or deposit a check, we are legally entitled to an unqualified endorsement from you, and you give us the irrevocable right to place that endorsement on the check. You agree not to give us any check that you have endorsed with a restrictive endorsement, such as “without recourse.” If you do, we can also place your unqualified endorsement on the check and we can enforce against you any rights that an unqualified endorsement gives us. 

Handling Deposits

1. We can collect checks through the Federal Reserve Bank system or through correspondent banks. In handling checks, we can follow Federal Reserve rules or use any practice that is used in the banking industry or permitted under the Uniform Commercial Code.

2. You agree to pay us for any costs we incur in collecting checks you deposit or cash with us. This includes protest fees, mailing costs, foreign
item charges, and notary fees. We may charge these costs to your ac-

ount.

3. When you make a deposit, even if we give you a receipt, we have

the right to verify the amount of that deposit. If the verified amount dif-
fers from the sum on the receipt we gave you, the verified amount shall
control. We may waive demand, notice of dishonor, and protest on your

behalf as to any check that you deposit or cash with us.

4. If a check or other item you deposit is returned for insufficient

funds or unavailable funds and its amount is $2,500.00 or less, we may,
in our sole discretion, attempt to collect it a second time without telling
you first.

Returned/Dishonored Checks

Your Waiver of Rights. If a check or other Item which you cash or
deposit to your account is returned to us unpaid, we will deduct the
amount of the returned check or Item from your account and notify
you. You will be charged a Returned Deposited or Cashed Checks/Drafts
Fee which will be deducted from your account. We may also deduct any
interest that accrued from the date of deposit of the check or other Item
or the date we cashed the check or other Item.

The Bank’s right to deduct the amount of the returned check or
other Item from your account shall extend to any check or Item cashed
or deposited into your account that is paid and then returned because
of a claim that the check or Item is altered, forged, unauthorized, missing
a signature, or should not have been paid for any reason. Furthermore
even if we verify a deposited or cashed check and inform you that the
check has been paid, that will not release your liability as an endorser of
the check.

If there are not sufficient funds in your account to cover the
returned check or other Item, including accrued interest if any, you will
be responsible to immediately pay the balance. If an overdraft occurs on
your account due to the charge back of a returned Item, you will also be
charged an Overdraft Fee or an Uncollected Fee in accordance with the
current Schedule of Charges.

You hereby waive any right you might have to have us notify you
about this by the end of the day after we receive notice that your
check or other Item will be returned to us unpaid. We will charge you
the amount stated in the Schedule of Charges for each overdraft Item,
uncollected Item, or returned check or draft

Dishonored Check Penalties (New York State Only). If a check pre-
bounced by you payable to us is dishonored by the bank on which it was
drawn, and you do not make payment to us after we notify you that the
check was dishonored, you may be sued under Section 11-104 of the
General Obligations Law of New York to recover payment. If a judgment
is rendered against you in court, it may include not only the original face
amount of the check, but also additional liquidated damages as follows:
(a) If you had no account with the bank on which the check was drawn,
an additional sum which may be equivalent to twice the face amount of
the check or seven hundred fifty dollars, whichever is less; or (b) If you
had insufficient funds on deposit with the bank upon which the check
was drawn, an additional sum which may be equivalent to twice the face
amount of the check or four hundred dollars, whichever is less.

Criminal penalties also may apply.

Stale and Postdated Checks

A stale check is a check more than six months old. At our option we
may either pay or dishonor a stale check upon presentment, without li-
ability to you or any owner of the account. A postdated check is a check
you have issued that bears a date later than the date it is presented.
You agree that we are not liable if we honor a postdated check upon
presentment. It is the Bank’s policy not to accept any postdated check
for future deposit.

Dormant, Abandoned, and Inactive Accounts

Your account will be considered dormant or abandoned if you do
not deposit or withdraw funds to or from your account (not including
certain automated transactions), or if you do not acknowledge your ac-
count for a period of time set by the applicable state law. State laws re-
quire that under certain circumstances funds in dormant or abandoned
accounts must be turned over to the appropriate state government
office. You agree that we are not responsible for any funds transferred
pursuant to applicable laws and regulations and our internal proce-
dures in compliance with those laws, or for any expenses in connection
therewith. You agree that we may charge your account such fees in
connection with dormant or abandoned accounts, including monthly
fees, and any charges in connection with notifying you, advertising, or turning over the funds to the appropriate state authorities.

Unless otherwise prohibited by the laws governing your account, the Bank may consider your account inactive if for a time period as determined by us, there is no activity on your account (for example there are no deposits or withdrawals on your account, and/or you have not acknowledged your account in writing) or if two or more documents concerning your account that were sent to you by the Bank by mail or electronically are returned to us as undeliverable.

If the Bank considers your account inactive we may in our sole discretion take any one or more of the following actions: (1) we may hold all statements, (2) discontinue sending you information related to your account by mail or electronically until you provide a valid postal or electronic address to the Bank, (3) terminate automated payment instructions, and/or (4) discontinue the payment of interest. Fees and charges will continue to apply to the account. Additionally, if the Bank considers your account inactive, information related to your account that is sent to you and returned to the Bank as undeliverable, including statements and notices, may be held by the Bank for you to pick up or be destroyed in the Bank’s sole discretion.

**Accounts Not Negotiable and Not Transferable**

Savings accounts, money market accounts, CDs, and Jumbo CDs, are not negotiable and not transferable except on the books of People’s United. You may not transfer or pledge any account to anyone else nor use an account as collateral for a loan without our written permission. Normally, we will not give that permission. You may only make arrangements with us to transfer your account to another People’s United account holder or use it as collateral for a loan with People’s United.

**Appointment of an Agent for a Business Entity**

In our sole discretion, we may choose to accept a document appointing an agent (“Agent”) on a business deposit account, provided that the document is in a form satisfactory to us and in accordance with applicable laws. We may refuse to honor any such appointment, unless prohibited by applicable law. If such an Agent is appointed by you (the principal) on an account, you authorize the Bank to pay, withdraw, transfer, or make orders for payments and transfers to and from the account using any of the services available on the account, and/or open and close the account, if instructed to do so by the Agent, all without question or further inquiry from us. In accordance with applicable law, some agents may continue to act despite the incompetency of the principal, and we may continue to rely upon an agent’s authority if this is the case. You agree to indemnify and hold us harmless from and against any and all claims, losses, costs, expenses, or damages, including court costs and attorney’s fees, arising out of, connected with, or related to our acceptance of the appointment of an Agent on your account, or our acting in reliance upon the authority of the Agent. This indemnification will be binding upon you, your representatives, heirs, or beneficiaries, and upon any owner or other authorized signer on the account.

**Notice of Withdrawal from Certain Savings Accounts**

Federal regulations require that we reserve the right to require that you give us written notice seven days before making a withdrawal from any account except Business Checking Accounts and other transaction accounts.

**STATEMENT ACCOUNTS**

**Periodic Statements**

Business deposit accounts are statement accounts and do not use a passbook. You will receive periodic statements showing your account balance and transactions. Each month or quarter, as applicable, we will mail, send electronically, or otherwise make available to you a statement showing all of the transactions that have occurred in your deposit accounts for the statement period. Service charges applicable to the activity in your deposit accounts may be debited from your account on a different schedule than the statement period.

Paper notices and statements on your account may be sent to you by regular mail. You agree that when we place these items in the mail
this way, they will be deemed delivered to you. We will use the most recent address we have for your account(s). You agree to furnish us with a new mailing address whenever the last one you gave is no longer correct. We are not responsible for any loss caused if you do not give us a new address.

If you do not receive your statement, you will not be relieved of the duty to examine your statement and notify us of any errors unless you notify us that you did not receive your statement within 10 days from the date that you customarily receive your statement and we fail to send a statement to you after you notify us.

Electronic Statements
If you elect to receive electronic statements through People's United Online, you may not receive paper statements in the mail. Additional terms and conditions governing electronic statements are provided in the Business Electronic Banking Agreement and in the Business Online Banking Agreement which are incorporated into and made a part of this Contract.

Exchanging Statements – Your Responsibilities
You agree to promptly examine your paper or online statement and your check photocopies/images and/or substitute checks for errors or transactions you did not authorize. You agree to promptly reimburse us for any erroneous credit to your account.

You must notify People's United Call Center in writing delivered to the Call Center address appearing at the end of this Contract as soon as possible but in no event later than 30 days after the date the statement was mailed, emailed, or otherwise made available to you, whichever is earlier, (1) if you find any error, including, without limitation, any unauthorized signature on or alteration of a check or other Item, or (2) if there is any missing or fraudulent endorsement on a check or other Item. If you do not notify us within this time period, we will not be liable for any of these checks or other items or for any loss to you.

In addition, you must notify us of any unauthorized payment order, in writing delivered to the Call Center address appearing at the end of this Contract as soon as possible but in no event later than 30 days after the paper or electronic statement or other advice of debit or completion of a wire transfer payment order is mailed, emailed, or becomes available to you, whichever is earlier. If you do not notify us within this time period, we will not be liable for any such payment order or loss to you.

Investigation of Unauthorized Transactions
You agree that we may investigate any alleged unauthorized transaction before we re-credit your account, unless the law requires otherwise. You agree to cooperate with us if you make any claim concerning unauthorized transactions on your account. You agree to assist us to pursue civil and criminal penalties against the party(ies) responsible for such unauthorized transactions. Such assistance may include, but not be limited to, filing reports and complaints with law enforcement and/or government agencies, giving statements under oath, providing any security that we may require, and providing such other proof as we may request. If you fail or refuse to give us such assistance, we may charge the full amount of the alleged unauthorized transaction back to your account without further liability to you.

You agree to indemnify and hold us harmless from and against any and all claims, losses, costs, expenses, or damages, including court costs and attorney’s fees, arising out of, connected with, or related to your act or omission, or from any breach by you of this Contract. This indemnification will be binding upon you, your representatives, heirs, or beneficiaries, and upon any owner or other authorized signer on the account.

INTEREST
Payment of Interest
People's United pays interest on deposits to business interest bearing accounts only on “collected funds” and not from the day of deposit. People's United uses the Daily Compounded Funds Method to calculate interest on all business interest bearing accounts, unless otherwise disclosed in the Business Deposit Account Schedule of Interest or CD Confirmation Notices that may be provided to you. The annual percentage yield stated on any CD offered assumes interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings on the account.

Schedule of Interest and Schedule of Charges
The interest rates we pay on interest bearing accounts are set forth
in the Business Deposit Account Schedule of Interest. If you have an interest bearing account you received a copy of the Schedule of Interest in effect when you opened your account along with this Contract.

The charges applicable to People's United Business Deposit Accounts are set forth in the Business Deposit Account Schedule of Charges. You received a copy of the Schedule of Charges in effect when you opened your account along with this Contract.

Copies of the Business Deposit Account Schedule of Interest and Business Deposit Account Schedule of Charges are posted online at www.peoples.com and copies are available in each branch. We reserve the right to make new charges, to change our present charges, to change interest rates, and to change the way we pay interest. You will be given notice of any changes in charges or interest rates as required by law.

DISPUTES/LEGAL MATTERS

Disputes Involving Your Account/Limit of Liability

In the event a dispute or other claim involving your account arises between you and People's United, between owners, partners, or members, or between you and an authorized signer or any third person that causes us to become involved, you agree you are liable for any loss, costs or expenses, including photocopying, research, administrative costs, and attorney's fees, incurred by People's United, unless expressly prohibited by law. You authorize us to deduct such loss, costs or expenses from your account without prior notice.

You agree that any liability that we might have on account of any claim you make against us may be eliminated and, if not, will be reduced by any negligence on your part (or any of your agents), your failure to review your account statements in a timely manner, your failure to comply with your reporting requirements under this Contract, your failure to safeguard your blank checks or other identifying account related information, including your Personal or Business Identification Number(s), your Customer Access Code(s), and password(s) used for online banking, any insurance or other recovery that you make or are entitled to in connection with the claim, and any damages that could not have been avoided by us by the use of ordinary care.

YOU AGREE THAT WE WILL HAVE NO LIABILITY FOR INCIDENTAL, SPECIAL, CONSEQUENTIAL, INDIRECT, OR PUNITIVE DAMAGES IN CONNECTION WITH ANY ACTION CONCERNING, CLAIM TO, OR DISPUTE OVER ANY OF YOUR ACCOUNTS. UNLESS PROHIBITED BY APPLICABLE LAW, OUR LIABILITY FOR ANY SUCH CLAIMS WILL BE LIMITED TO THE ACTUAL VALUE OF ANY DEPOSITS NOT CREDITED, WITHDRAWALS NOT PROPERLY DEBITED, OR THE FACE VALUE OF ANY TRANSACTION OR ITEM IMPROPERLY PAID OR DISHONORED.

Indemnification

You agree to indemnify and hold us harmless from and against any and all claims, losses, costs, expenses, or damages, including court costs and attorney's fees, arising out of, connected with, or related to your act or omission or from any breach by you or your agent(s) of this Contract. This indemnification will be binding upon you, your representatives, heirs, or beneficiaries, and upon any owner or other authorized signer on the account.

Disputes Between Owners/Managers, Etc.

The owners, members, officers or managers of a business may have a dispute among themselves. If they do, one or more of those persons may want us to do something to an account that may affect the rights of others. We do not have to recognize such a dispute at all. But if we do, we can require you to either a) get an injunction or other court order protecting us or b) execute to us, in a form acceptable to us, a bond or other indemnity protecting us against any claims that may result from the action that you ask us to take. The surety of the bond must also be acceptable to us. However, if we receive a notice that reveals a dispute between or among any of these people, we can then refuse you access to the account until we are satisfied that the dispute will not affect us. We have no liability to any of you if we assert these rights.

Governing Law/Venue

This Agreement and all services offered by us will be governed by federal law and by applicable state law without reference to principles of conflict of laws. Applicable state law shall govern only to the extent not superseded by federal laws, rules, or regulations. The applicable state
law will be the law of the State of Connecticut.

This Contract will be enforced in the federal courts located in the State of Connecticut or in the state courts of the State of Connecticut, and you consent and agree to the jurisdiction of those courts. You agree to bring any action or legal proceeding arising out of or connected with this Contract in the county where our home office is located. Currently our home office is located in Fairfield County, Connecticut

Uniform Commercial Code Applies

Your accounts will be subject to the Uniform Commercial Code as adopted in the State of Connecticut, to the extent not superseded by federal law.

Change in Law/Unenforceability

If any clause of this Contract becomes unenforceable by a change in federal or applicable state law or regulation, or for any other reason, the remaining clauses will remain in effect and fully enforceable.

Force Majeure

You agree that the Bank is excused from the performance of our obligations under this Contract to the extent that the Bank is prevented or delayed from performing our obligations due to causes that are beyond our control such as those caused by acts of God, acts or omissions of another party, acts of any government or regulatory body (whether civil or military, domestic or foreign) fires, explosions, floods, earthquakes or other natural or man-made disasters, epidemics, sabotage, wars, riots, civil disturbances, strikes, lockouts, labor disputes, loss of electrical or other power or telecommunications equipment or line failures (each a “Force Majeure Event”). The Bank’s responsibilities under this Contract will resume as soon as reasonably possible after the Force Majeure Event has expired.

Attorneys’ Fees/Other Costs/Waiver of Trial by Jury

Under the law and this Contract, we have certain rights against you on your account and on any checks or other items that are deposited or credited to it or cashed with us. You agree that if we have to hire a lawyer to assert or defend any of these rights against you or any third party on account of checks or other items credited or deposited to your account or cashed with us, or for any other cause and we win, you will pay our lawyer’s fees, court costs and all costs (including administrative expenses) in connection with the litigation or dispute. You agree to waive your rights to a trial by jury in any action, proceeding or counterclaim arising out of or connected with this Contract or your account.

People’s United Right of Set-Off

Unless we are forbidden by law from having these rights, you give us a lien on your accounts and you agree that we may take money from your account(s) to pay off a loan or other debt that you owe us. We might do this, for example, if you overdraw your Business Deposit Account and do not pay the money back. We might also do this if a check which you deposit to your account is returned to us unpaid, or if we are not ultimately paid in full for any item credited to your account, including any ACH or Wire transactions. We do not have to tell you before we assert these rights.

Waiver of Rights

People’s United may waive any of its rights under this Contract without waiving any other rights it has. Also, if we do waive a right, that does not mean we will always waive it.

Legal Process

Legal process affecting your account may include a tax levy, attachment, garnishment, subpoena, restraining order, warrant, execution, or other such order. In the event People’s United is served with such legal process, we must obey the order. If your account is subject to such an order, we will not be liable to you for any sum that we may pay from your account to comply with such legal process, even if compliance with the order leaves an insufficient amount in your account to honor any check or other item, and even if such order is ultimately found to be invalid or improperly served.

A garnishment or other levy against your account is subject to our right of set-off and security interest in your account(s) with us. Any expenses or costs we incur including but not limited to, our Legal Process Fee, overdraft or uncollected fees, or service charges as provided in the Schedule of Charges, and any fees for photocopying, research, administrative costs, and attorneys’ fees, incurred by us when responding to a tax levy, attachment, garnishment, execution, or other order will be charged to you and may be debited from any account you have with us without prior notice to you, even if such charges result in overdraft
fees or early withdrawal penalties.

**Notice And Other Mail**

Any notice you send to the Bank will not be effective until the Bank actually receives it and has a reasonable opportunity to act on it. If there is more than one owner on your account, the Bank may send account related information to any one of them. You assume the risk of loss in the mail. Any notice the Bank sends you will be effective when mailed, sent electronically, or otherwise made available to you.

**III. ADDITIONAL RULES FOR CHECKING ACCOUNTS**

**CHECKS AND IMAGING**

At our sole discretion, we will mail to you (1) images of your canceled checks (front and back or front only), or (2) your account statement without your canceled checks or check images. At any time we may change the method by which we provide you with records of your canceled checks and we may cease sending you images or copies of canceled checks. In all cases we will retain images of your canceled checks in our records as required by law or longer in our sole discretion.

We will make checks, copies of checks, or check images available to you through Business Online Banking (eTreasury+). You may incur a charge when you obtain a copy of your check or check image from us through this method.

We will also make checks, copies of checks, or check images available to you for research purposes at your request or to others as may be required by legal process. You may incur a charge when you obtain a copy of your check or check image from us through this method.

If we are required to maintain cancelled checks by law, you agree that by maintaining check images as described above, we are making your cancelled checks available to you in a reasonable manner.

Notwithstanding the above, a check that has been converted to an ACH debit, also known as “electronic check conversion,” will not be made available to you from us. In this case, your statement will reflect an ACH transaction, and you must contact the payee to obtain a copy of your original check.

**OVERDRAFTS**

**Overdrafts, Returned Items and Fees**

If there are insufficient funds in your account to pay an Item drawn against your account when the Item is presented for payment, the Bank in its sole discretion may pay the Item or return the Item unpaid. You will be charged a Returned Overdraft Item Fee or Paid Overdraft Item Fee for each overdrew check, in-person withdrawal, ATM withdrawal, transaction made by other electronic means, draft, or funds transfer drawn against your account in which there is insufficient balance to cover the amount of the Item.

If there are insufficient available funds in your account to pay an Item drawn against your account when the Item is presented for payment, the Bank in its sole discretion may pay the Item or return the Item unpaid. You will be charged a Paid Uncollected (“UAF”) Item Fee if the Item is paid or a Returned Uncollected (“UAF”) Item Fee if the Item is not paid.

If an overdraft occurs on account of the charge back of a returned Item or the assessment of fees, you will also be charged a Paid Overdraft Item Fee or a Paid Uncollected (“UAF”) Item Fee.

We will determine at our sole discretion whether your account contains sufficient funds to cover any check or other Item drawn on the account. The decision to pay any overdraft remains strictly that of People’s United. You agree to immediately pay us the amount of any returned Item or any amount advanced as an overdraft, including any fee charged, interest, or other costs we incur in collecting the returned Item, overdraft, or uncollected funds, whether you signed or requested the withdrawal or participated in the transaction creating the overdraft. The costs may include, but are not limited to reasonable legal fees and expenses.

Note that we may post transactions to your account in a different order than that in which they occurred. This may affect the number of overdraft fees you incur.

An “Item” is a check, substitute check, in-person withdrawal, ATM withdrawal or transaction made by other electronic means, or draft or funds transfer. The current fees and charges described in this Contract may be found in the Schedule of Charges.
Overdrafts at ATMs or with Debit Cards and Opt-Out Option

If you attempt to make a purchase or ATM withdrawal using your ATM Card or MasterMoney BusinessCard Debit Card for an amount greater than the available balance in your checking account, People's United may, at our sole discretion, choose to authorize the transaction unless you have opted out as described below. If we authorize the transaction, your checking account will be charged an Overdraft or Uncollected ("UAF") fee, as applicable, for each such transaction.

If you do not want People's United to authorize purchases or ATM withdrawals when there are insufficient funds available in your checking account, contact us at the People's United Call Center at the numbers listed on page 40. We may provide you with opt-out choices. You must give us a reasonable amount of time to act after you have provided us with your opt-out elections. We will use commercially reasonable efforts to prevent the authorization of purchases or ATM withdrawals when there are insufficient funds available in your checking account, based on your opt-out instructions. If we use commercially reasonable efforts to prevent the authorization of purchases or ATM withdrawals when there are insufficient funds in your checking account, your opt-out will not prevent our charging an overdraft or uncollected fee for each purchase or ATM withdrawal paid against your checking account when there are insufficient funds available to do so.

Overdrafts at ATMs or with Debit Cards and Opt-Out Option

If you attempt to make a purchase or ATM withdrawal using your ATM Card or MasterMoney BusinessCard Debit Card for an amount greater than the available balance in your checking account, People's United may, at our sole discretion, choose to authorize the transaction.

STOPPING PAYMENT ON A CHECK OR DRAFT

Stop Payment Order

You or any authorized signer on your account may order us to stop payment on a check that you write or on a draft written by a third party on your account, at your sole risk. You must give us a reasonable amount of time to act on the stop payment order before the check or draft is presented to us for payment. You must also provide us with information which we consider sufficient for us to identify the check or draft with reasonable certainty. The Business Electronic Banking Agreement describes how to stop payment on preauthorized transfers.

If you provide your checking account number to a third party for the purpose of writing drafts on your account, such drafts are properly payable, and People's United will pay such drafts (subject to availability of funds) unless you have placed a stop payment order in accordance with this Section.

Stop Payment Fees

If you stop payment on a check or draft, we will impose a stop payment fee. We will charge you the amount stated in the Schedule of Charges for each stop payment order. You agree you are liable for any losses, costs, or expenses, including reasonable attorneys' fees, to the extent permitted by law, incurred by People's United involving your order to us to stop payment on any check or draft. You authorize us to deduct such losses, costs, or expenses from your account without prior notice.

Stop Payment Effective Period

An oral stop payment order is effective for only fourteen (14) calendar days. To extend this time, you must send us a written order within the fourteen-day (14-day) period. A written order is effective for six (6) months unless renewed in writing. We are not liable for any checks or drafts paid after the expiration of a stop payment order. If you order People's United to place a stop payment via Online channels, this method may be considered as a "written" order and may be treated as such. It is your responsibility to either provide a written order or confirm with People's United that an online notice will be sufficient.

THIRD PARTY CHECK WRITING SERVICES

In the event you choose a third party check writing or other third party payment service, you agree that we will not be liable for any loss or harm arising from a transaction entered into by such party with or without your authorization. Any order to pay issued by such party on your account shall be deemed authorized as if you had signed the order, whether such order is in fact signed and/or authorized by you.
You further agree that in the event a dispute arises out of such an arrangement with any party you are liable for any losses, costs, or expenses, including reasonable attorneys’ fees, to the extent permitted by law, incurred by People's United. You authorize us to deduct such losses, costs, or expenses from your account without prior notice.

If you want to stop all future transactions from your account by such third party, you must take the following actions: (a) Send to the third party a written revocation of the authorization previously given by you to that third party; and (b) Write us to place a stop payment order as described elsewhere in this Contract, and in connection with such call or writing you must specifically state that you would like to stop all future transactions by that particular third party. You agree we may require that you close your existing accounts and open new accounts in order to stop access to your account by the third party.

ACCOUNT STRUCTURE
Each checking account will act as a master account, for which People's United will establish a transaction sub account and a holding sub account. You will continue to conduct your banking transactions at the master account level, and all information that is made available to you at the Master Account level will be at the master account level. At the beginning of each month, People's United will allocate funds between the two sub accounts. All debits will be processed against your transaction sub account, and periodically we will transfer funds from the holding sub account to the transaction sub account to cover those activities.

In accordance with federal law, no more than six (6) transfers per calendar month will be made from the holding sub account; on the sixth (6th) transfer, all funds in the holding sub account will be transferred to the transaction sub account for the remainder of the month.

IV. ADDITIONAL RULES FOR CERTIFICATES OF DEPOSIT (CDs)
A Business Certificate of Deposit (CD) is a deposit account on which interest is earned during a stated period or term. The Business Elite, Premier Municipal and Premier Government CDs are like a Business CD but have a minimum balance of $100,000 and are sometimes called “Jumbo CDs.” There are different requirements for Business CDs and Business Elite, Premier Municipal and Premier Government CDs.

When you open or renew your Business CD or Business Elite, Premier Municipal and Premier Government CD you will be informed of the rate and term of the Business CD or Business Elite, Premier Municipal and Premier Government CDs. The Maturity Date of a Business CD or Business Elite, Premier Municipal, and Premier Government CDs is the first day after the last day of its term and is the first day a withdrawal of all your funds may be made without penalty.

RULES APPLICABLE TO BUSINESS CDs

Deposits to a Business CD During Its Term
You may not make deposits to a Business CD during its term, unless you have a certain type of Business CD that specifically permits these deposits. If you have a Business CD that specifically permits one or more deposits during its term, you will be informed of the number and type of deposits that are permitted when you open your Business CD account.

Maturity – Automatic Renewal of Business CDs
If you do not withdraw or transfer all the money from your Business CD account during the Grace Period, we will renew your account balance (principal and interest, subject to minimum deposit requirements) as of that date. Unless we tell you otherwise, the term of the renewed account will be the same as the term of the matured account. The rate on the renewed account will be the rate in effect on the Maturity Date for accounts of similar type, term, and deposit balance. If you do not withdraw the funds in your Business CD account during the Grace Period, you will be considered to have accepted the renewal rate, annual percentage yield, and other account terms for the renewal term.

Transactions During Grace Periods
The Grace Period on your Business CD is the ten-day (10-day) period beginning on its Maturity Date. The Business Elite, Premier Municipal and Premier Government CDs do not have Grace Periods.

Deposits. One deposit may be made to a Business CD during its Grace Period. However, we reserve the right to refuse to accept additional deposits to any Business CD during the Grace Period

Withdrawals. No interest will be paid on your Business CD after its term to the date of withdrawal if you withdraw the entire Business
CD balance during the Grace Period. If a partial withdrawal or transfer from your Business CD is made during the Grace Period, interest will be earned on the funds withdrawn beginning on the Maturity Date to the date of withdrawal, and will be posted on the next regularly scheduled interest payment date.

**Changes to Business CD Term.** If you change the term of a renewing Business CD during the Grace Period the account will renew beginning on the date that the term is changed. Interest will be earned beginning on the Maturity Date to the date that the term is changed, and will be posted on the next regularly scheduled interest payment date. The renewed Business CD will earn interest beginning on the date that the term is changed at the rate in effect on that date for the account’s new term.

**Withdrawals from CDs**

The monthly interest that has accrued on your Business CD account may be withdrawn without penalty. However in order to make a premature withdrawal of principal from your Business CD, you must receive our consent, and a substantial penalty may be imposed. People’s United may close your Business CD if the amount withdrawn drops the balance below the required minimum.

**Early Withdrawal Penalties on CDs**

The penalties for making an early withdrawal of principal from your Business CD are described below:

- For 30 and 60 day Business CDs, you will lose 30 days’ simple interest.
- For Business CDs with an original term of 3 months to one year, you will lose 90 days’ simple interest on the amount withdrawn.
- For Business CDs with an original maturity of more than one year, you will lose 180 days’ simple interest.

Where the interest earned is less than the amount of the early withdrawal penalty, the difference must be paid from principal.

If you received a bonus premium of interest or merchandise for opening a new Business CD, and you subsequently close the account before its term expires, you will be assessed a penalty in an amount equal to the remaining unamortized value of the premium paid in addition to other applicable interest penalties.

**RULES APPLICABLE TO JUMBO CDs**

**Opening a Business Elite, Premier Municipal and Premier Government CDs (Jumbo CDs) – Rate and Term**

You may select a Jumbo CD term between seven (7) and three hundred sixty five (365) days, so long as the Maturity Date falls on a Monday through Friday on which we are open. In order to open your Jumbo CD, you must deposit cash or its equivalent (“collected funds”) at People’s United, in the manner which we specify, by 3 p.m. on a Monday through Friday that we are open for business. You will receive a receipt, which will state the amount of your deposit, the interest rate that the funds will earn, and the Maturity Date. Funds will not be available until the Maturity Date.

**Wire Transfer of Funds**

If we specify that to open a Jumbo CD the funds must be wire transferred to People’s United, and the funds arrive after 3 p.m. on the specified date, we may accept the deposit and pay you the rate of interest originally quoted to you for the number of days that your collected funds are at People’s United during the remaining term of your account. We also may accept the deposit subject to different terms that you and People’s United agree to, or we may refuse the deposit.

**Deposits to a Jumbo CD During Its Term**

You may not make a deposit to a Jumbo CD during its term.

**Jumbo CDs at Maturity**

The principal and interest earned on your Jumbo CD may be withdrawn without penalty **only on its Maturity Date.** Jumbo CDs do not have a Grace Period. If you do not withdraw all the money from your Jumbo CD on the Maturity Date, we will renew your entire Jumbo CD balance (principal and interest, subject to minimum deposit requirements) as of that date.

Unless you request otherwise, the term of the renewed Jumbo CD will automatically be the same as the term of the matured account. The rate on the renewed Jumbo CD will be the rate in effect on the Maturity Date for Jumbo CDs with a similar term. Jumbo CDs with a term of 31 days or less do not receive a renewal notice.

**Early Withdrawals Penalties on Jumbo CDs**
If you withdraw all or any portion of the funds on deposit in your Jumbo CD before its Maturity Date you will lose an amount equal to all interest that would have been earned for the entire term on the amount withdrawn.

V. ELECTRONIC TRANSACTIONS ON YOUR DEPOSIT ACCOUNT

Types of Electronic Transactions

There are many services which permit you and your employees, agents and representatives to make what is called an “electronic fund transfer” (“EFT”) with certain accounts. EFTs may include ATM Transactions, Online Transactions, Telephone Banking Transfers, Preauthorized Transfers, MasterMoney BusinessCard Debit Card Transactions, and ACH transactions. These are described in the Business Electronic Banking Agreement (“BEB Agreement”). Please read the entire agreement carefully. Not all electronic services which we offer are available with every type of account.

If a conflict exists between the BEB Agreement and any section of our Business Deposit Account Contract, the BEB Agreement will control.

Timing of Payments and Other Transfers

There may be processing delays between the time you tell us to make an ATM Transfer, Online Transaction, Telephone Transfer, or preauthorized transfer, and the date we actually make the payment or transfer, except as required by law. We are not liable for any loss that may result from such a delay if we use ordinary care in processing your request. In any event, we are not liable if we make or send the payment or transfer within (5) five Business Days (Monday-Friday) after the date specified. For the purposes of this section and definition, the word “transfer” means a deposit or withdrawal at an ATM, a preauthorized deposit to your account, a payment from your account to us or to a third party, or a transfer of funds between accounts.

SPECIAL CODES FOR ELECTRONIC TRANSACTIONS

ATM Transactions – BINs/PINs

You will need a People’s United Business Enhanced Access Card or a People’s United MasterMoney BusinessCard and a business identification number (BIN) or personal identification number (PIN) (which is sometimes referred to as a Personal Security Number), to access your account at automated teller machines (ATMs) or to make Network POS Purchases at retail locations which allow electronic transfers of funds from your account to the retail merchant.

You may request a unique BIN/PIN for each account owner of your checking account or its related accounts (only one Business Savings and one Business Money Market Account may be linked to a Business Checking Account for ATM accessibility. These accounts are determined by you during the account linkage structure set up). Your BIN/PIN is a four-digit number - for example, 1234 – that you choose and is known only to you. Your ATM Card is the property of People’s United Bank.

You may also request a People’s United Business Deposit Only Card to make deposits to your Account at People’s United ATMs only. Such a card is not assigned a BIN/PIN, and can be used by anyone to deposit money into the accounts linked to it for ATM accessibility.

Business Online Banking Transactions – Passwords & Picture Phrases

You will need to choose a password to use our Business Online Banking services through eTreasury+. When first enrolling for eTreasury+, you will be asked to choose a password. Your password is a code that you choose and is known only to you. In addition, when first using your online account you will be prompted to pick a picture and a phrase associated with that picture for multi-factor authentication purposes. Your phrase is another code that you choose and is known only to you.

Business Online Banking Transactions – Tokens

For certain services provided to you through eTreasury+, you and any authorized users of your company’s eTreasury+ profile may be required to use a token that will be provided to you by the Bank. In addition to choosing a password to use our Business Online Banking services through eTreasury+, the token is also provided and required for a higher level of multi-factor authentication and security purposes. Your token is unique to you and is not to be shared with other users of eTreasury+. You may be charged for tokens and should review your account analysis statement for any fees that may be imposed related to tokens.

Telephone Transactions – CACs
You will need a Customer Access Code (CAC) to use our Telephone Banking services. Your personal CAC is a number that you choose and is known only to you. You must request a CAC for your business separately from any personal CACs associated to the owners and/or authorized signers listed on your checking account and related deposit accounts. Your business CAC is associated with the business and its related checking, other deposit, or loan accounts. Therefore, your CAC should only be given out to authorized Telephone Banking users at your business.

YOUR RESPONSIBILITY TO SAFEGUARD SPECIAL CODES

It is very important for you not to tell your BIN/PIN, password, picture phrase and/or CAC to anyone else and not to write it down where other people may see it. DO NOT WRITE YOUR BIN/PIN ON YOUR PEOPLE’S UNITED ATM CARD!

1. You agree to safeguard your Business ATM Cards (the “Cards”) and your Business Identification Number (BIN/PIN/ATM Security code) (the “Numbers”) and to cause each person who receives a Card and/or a Number to do the same by adopting security measures to prevent any unauthorized use of the Cards and/or the Numbers and by taking all reasonable precautions, including but not limited to the following:
   (a) Do not write your Number on your Card;
   (b) Do not keep the Card and the Number in the same place;
   (c) Do memorize the Number and keep any document which has the Number on it in a locked and secure location;
   (d) Do not disclose the Number to any unauthorized person.

2. If your Card or Number has been lost or stolen or is otherwise in the possession of an unauthorized person, notify us at once so that we can deactivate the Card or the Number or both. You must notify us by telephoning the People’s United Call Center using the number(s) referenced at the end of this Contract, or by sending written notice to the People’s United Call Center address also referenced at the end of this Contract. If you notify us by telephone, you must follow up with written notice at the above address within three (3) days of the date of your telephone notice.

3. If any person for whom you have requested a Card or to whom you have given the Number ceases to have your permission to use the Card or to initiate telephone transfers, you must return the Card to us and request a change of Number immediately, in the manner set forth above.

Your failure to safeguard your BIN/PIN, password, picture phrase and/or CAC, may prevent you from recovering losses caused by the unauthorized ATM transactions, Online transactions, and/or, Telephone transactions on your account. Furthermore if you permit someone else to use your BIN/PIN, password, picture phrase and/or CAC you are liable for any transactions made by that person, even if that person exceeds the authority you have given them. You must give us notice in writing to revoke such permitted use.

ATM CARD – OWNERSHIP AND CANCELLATION

Your ATM Card remains the property of the Bank at all times and may be repossessed by us or our authorized agent at any time. We may refuse to issue an ATM Card or may revoke your ATM Card privileges with or without cause or notice, unless otherwise required by law. We may also limit or refuse to complete your transaction when we determine it is necessary for security reasons.

Your ATM Card is valid for a limited term disclosed to you when you receive it. We reserve the right not to reissue all ATM Card, including MasterMoney Debit Cards, and/or to change the type of Card issued to you. You authorize us to make whatever credit investigation we may deem appropriate, including obtaining your credit report from a credit reporting agency, along with the periodic updates, in connection with your use and renewal of your ATM Card.

You must destroy your ATM Card when you or we cancel your Card privileges. You agree not to use or attempt to use an expired, revoked, cancelled, or otherwise invalid Card. You also agree to notify any merchants to stop making pre-authorized Purchases, in the event that your card has been cancelled, either by you or by us (e.g., monthly recurring payments to health clubs or Internet service providers). If your ATM Card is used other than as permitted by this Agreement, including the BEB Agreement and the MasterMoney Rules, we may, at our option and without waiving any rights, recognize the transactions and debit or credit your deposit account accordingly. The cancellation of your Card
privileges, by you or us, will not affect other rights and privileges under this Agreement.

Should you decide to close your account or to cancel your Card, you are responsible for immediately destroying all Cards issued on your account. In each case, you agree to pay all amounts due to us or paid out of your account by reason of any use of your Card.

**BUSINESS ELECTRONIC BANKING AGREEMENT**

**What This Agreement Is All About.**

With your Deposit Account you can bank electronically via various delivery channels. For purposes of this agreement, “Electronic banking” consists of any transaction which is initiated electronically; for example, by telephone, ATM, POS terminal, MasterMoney Debit Card or online. Not all electronic banking services which we offer are available with every type of account. This Business Electronic Banking Agreement (“BEB Agreement”) describes the types of electronic banking transactions that are available for each account, what to do if you have a question or problem with electronic banking, and other important points.

If a conflict exists between other sections of this Business Deposit Account Contract and this BEB Agreement, this BEB Agreement will control.

The definitions in the Business Deposit Account Contract also apply to this BEB Agreement. For the purposes of this BEB Agreement, the word “transfer” means a deposit or withdrawal at an ATM, a preauthorized deposit to your account, a payment from your account to us or to a third party, or a transfer of funds between your accounts.

**Business Tele-Banking, Telephone Transfers, People’s United Online Transfers, Preauthorized Transfers, and Electronic Check Conversions.**

1. Business Tele-Banking and Telephone Transfers

You may use your Customer Access Code (CAC) to inquire on and initiate the transactions listed below. These transactions are called Telephone Transfers.

In order for you to have full access to your Business Deposit Accounts for Telephone Banking services, your Accounts must be linked. This is known as the account linkage structure, for which accounts must be “transfer enabled.” During the account opening process you authorize People’s United Bank to establish Business Touch-Tone Services for all of your business’ Related Accounts subject to the conditions set forth herein and to such other terms and conditions as may be required by People’s United Bank in the future, and you agree that you will assume all liability resulting from any unauthorized use of the Customer Access Code, and agree to indemnify and hold harmless People’s United Bank from any and all losses, costs, damages, claims, and expenses, including attorneys’ fees, arising out of or in connection with the unauthorized use of such confidential number.

(a) You may transfer funds by telephone between your Business Deposit Account(s) and their related deposit accounts except for CD accounts.

(b) You may transfer funds by telephone from your Business Deposit Account(s) to unrelated deposit accounts owned by you personally except for CD accounts.

(c) You may transfer funds from your Business Deposit Account(s) to any other deposit account to which we allow and “transfer enable” for telephone transfers to be made (including those from your Business account(s) and Personal Account(s), at People’s United Bank’s sole discretion).

2. People’s United Business Online Banking Transfers.

You may use eTreasury+ to make the transfers listed below. These transfers are called People’s United Business Online Banking Transfers.

(a) You may use eTreasury+ to pay certain bills directly from your Business Checking Account(s). These transfers are called People’s United Online Bill Payments.

(b) You may transfer funds online between one business deposit account and another. These transfers are called Express Transfers.

(c) You may transfer funds online between one business deposit
account and more than one other business deposit account. These transfers are called Book Transfers.

(d) You may transfer funds between accounts in your eTreasury+ Business Online Banking profile provided the account is one to which we allow Business Online Banking transfers to be made (including those from your Business account(s) and Personal Account(s), at People's United Bank's sole discretion).

3. Preauthorized Transfers.

You may authorize us to transfer funds from your deposit account, other than CD accounts. You may also authorize a third person to transfer funds from your checking account. Ordinarily, this would be to pay for goods or services which you purchased from the third party. These transfers are called Preauthorized Transfers.

You may also authorize a third party to withdraw amounts which have been deposited directly to your deposit account to correct deposit errors which the third party determines it has made.

To use this preauthorized transfer service you must make your request by submitting the proper authorization form available online or by contacting the Call Center or your branch. You will need to tell us the payments or transfers you want us to make and the date you want them made.

4. Limitations on Telephone, People's United Online, and Preauthorized Transfer Services.

(a) You may make only one online payment a day from your checking account to pay each merchant. You may also authorize future payments to each merchant.

(b) There is no limit on the number or frequency of transfers that may be received in your checking account from its related deposit accounts or in each of your related deposit accounts from your checking account.

(c) You are limited to six telephone, online, and Preauthorized Transfers per statement cycle from each interest bearing account from which these types of transfers are permitted.

(d) You may only make transfers from your available funds.

(e) For security reasons, there are other limitations on the number and frequency of Telephone and People's United Online Transfers which you may make.

(f) We will only permit electronic Preauthorized Transfers that are properly presented through the Automated Clearing House system or that are properly presented by a third party with whom we have an agreement to honor them.

5. NACHA. You agree that your account will also be governed by the rules of the National Automated Clearing House Association (NACHA).

6. Electronic Check Conversions. You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to (a) pay for purchases, or (b) pay bills. Or, you may also make a payment by check and your check may be presented to us as an electronic fund transfer.

For example:

(i) the holder of your check may convert it to an electronic funds transfer, or

(ii) if your check is returned, the holder may re-present it as an electronic fund transfer and charge a fee for the return against your Account.

Your authorization of these electronic fund transfers may be in express form, or may be implied from the posting of a sign or delivery or a notice indicating the recipient's intention to present the check electronically.

ACH Transactions

You agree that ACH transactions to and from your accounts will be subject to the Operating Rules and Guidelines of NACHA. You agree that you will comply with the laws of the United States with respect to your account, including ACH transfers.

Direct Deposits (ACH Credits).

1. You may arrange to have certain deposits made directly to your account. For example, you may arrange to have your customers pay you directly with an ACH credit to be deposited directly into your account.

2. You agree that we may withdraw amounts which have been deposited directly to your account to correct deposit errors, or for which we do not receive final settlement. If you do not have sufficient available funds in your account to correct a deposit error or if we do not receive final settlement on a deposit, you agree that you will pay us back.
3. There is no limit on the number or frequency of direct deposits that we will credit to your account.
4. We will only accept direct deposits that are properly presented through the Automated Clearing House system or that are properly presented by a third party with whom we have an agreement to honor them.

International ACH And Wire Transactions
If your account receives incoming ACH transactions (either credits or debits) or wire transfers initiated from outside of the United States, both you and we are subject to the Operating Rules and Guidelines of the National Automatic Clearing House Association ("NACHA") or the rules of any wire transfer system involved, and the laws enforced by the Office of Foreign Assets Control ("OFAC"). Under such rules and laws, we may temporarily suspend processing of a transaction for greater scrutiny or verification against the OFAC list of blocked parties, which may result in delayed settlement, posting and/or availability of funds. If we determine there is a violation, or if we cannot satisfactorily resolve a suspected or potential violation, the subject funds will be blocked as required by law. If you believe you have adequate grounds to seek the return of any blocked funds, it is your sole responsibility to pursue the matter with the appropriate governmental authorities. Please see the OFAC website for procedures and forms required to seek a release of the blocked funds.

ACH Origination
In order to initiate electronic Automated Clearing House ("ACH") credits and debits, you must enter into the People's United Bank Company & Bank Agreement to Initiate Electronic ACH Credit & Debits ("ACH Agreement"). In the event of any conflict between the terms of the ACH Agreement and the terms of this agreement, the terms of the ACH Agreement shall control.

If you originate an ACH File: (1) you must notify the recipient/receiver of all reversals by the end of the business day and, (2) you must make your customers'/employees' debit authorization forms available to us upon request and within 24 hours notice.

Unauthorized ACH Transactions
You will be responsible for unauthorized ACH losses if you do not notify People's United with sufficient notice to reasonably allow us to charge back the entry within the required timeframe.

You must notify us immediately upon discovery of any unauthorized transfers or errors on your account. If the transfer or error is an ACH transaction, you must notify us by 3:00 PM on the business day following the date the transaction is posted to your account. If the transfer or error is not an ACH transaction, you must send us written notice of the unauthorized transfer, (and, upon our request, an affidavit, in a form satisfactory to us, describing the problem) so that we receive it within 14 calendar days of the date of discovery or your receipt of the first statement or other notice which shows the transfer, whichever occurs first.

Electronic “Wholesale Credit” Transactions Subject to Uniform Commercial Code Article 4A
1. Provisional Payment. Credit given by us to you with respect to an automated clearing house credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e. the originator of the entry) shall not be deemed to have paid you in the amount of such entry.

2. Notice of Receipt of Entry. Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statement we provide to you.

3. Choice of Law. We may accept on your behalf payments to your account which have been transmitted through one or more Automated Clearing Houses and which are not subject to the Electronic Fund Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with the laws of the state where your account was opened, unless it has been otherwise specified in a separate agreement that the law of some other state or federal law shall govern.

Card Transfer Services
You may use your Card at our ATMs, Network ATMs, and Network
POS terminals to make electronic fund transfers ("EFTs"). These are called Card Transfers.

**Card Transfer Limitations**

The types, number, frequency, cash denominations, and dollar amounts of Card Transfers that you can make at ATMs and POS terminals each day depend on applicable law, the particular financial institution, merchant policies, network operating rules, network availability, sharing agreements, type of network ATM or POS terminal and our participation. ATM deposits may not be permitted at all Network ATMs and may result in a delay in posting your deposit to your account.

Generally you may make an unlimited number of cash withdrawals at our ATMs or at Network ATMs ("ATM Cash Withdrawal"), as long as your total ATM Cash Withdrawals from all your accounts accessible with your Card do not exceed your ATM Cash Withdrawal limit of $1,000 per day or higher as determined by us in our sole discretion.

Generally you may make an unlimited number of transactions using your ATM Card at Network POS terminals each day, as long as your total debits using your ATM Card at Network POS terminals do not exceed your Network POS limit of $1,500 per day or higher as determined by us in our sole discretion. This includes using your ATM Card to make a purchase, to get "cash back" from your purchase, to make a NYCE Bill Payment, or to make a NYCE Money Transfer Debit.

Generally you may make an unlimited number of transactions using your MasterMoney Business Card, at Network POS terminals each day, as long as your total debits at Network POS terminals do not exceed your Network POS limit of $6,000 per day, or higher as determined by us in our sole discretion. This includes using your MasterMoney Business Card to make a purchase, to get "cash back" from your purchase, to make a NYCE Bill Payment, or to make a NYCE Money Transfer Debit.

For security reasons, there are other limitations on the number, amount and frequency of transactions you may make at ATMs and POS terminals.

An “ATM Deposit Only Card” is one that may only be used at People’s United Bank ATMs to make deposits to your Commercial Checking Account.

“Optional Savings” means that the Card may be linked to a Savings Account in addition to the required link to a Checking Account.

The types of deposit accounts allowed to be linked to your Card as a funding account are limited to specific products. We may remove a linked funding account from your Card at our option without prior notice if it does not meet our requirements.

**Charges For EFTs**

When you make Telephone Transfers, People’s United Online Trans-
fers, Preauthorized Transfers, and ATM Card Transfers, we will charge you the amount stated in the Schedule of Deposit Account Charges. You received a copy of the current Schedule of Deposit Account Charges as part of this Contract.

A copy of the current Schedule of Deposit Account Charges is posted in each branch. We reserve the right to make new charges and to change our present charges. You will be given notice of any change in charges as required by law.

When you use an ATM not owned by us, you may be charged a fee by the ATM operators (sometimes called a convenience fee or surcharge) for using ATMs, which they include in the amount of your withdrawal. You may be charged a fee for balance inquiry even if you do not complete a fund transfer.

If you have transactions using the ATM Card in a currency other than US Dollars, MasterCard will convert the amount of the transaction in foreign currency into a US dollar amount. To make this conversion, MasterCard® will use the procedure set forth in its operating regulations. Those regulations provide that MasterCard may make the conversion to US dollars using either a (i) government-mandated exchange rate or (ii) wholesale exchange rate selected by MasterCard. In either case, the rate used will be the rate in effect on the day MasterCard processes the transaction which may differ from that applicable to the date the transaction occurred, or when it is posted to your account. You agree that your checking account will be charged the US dollar amount converted from a foreign currency by MasterCard as provided in this paragraph. You will be charged an International Assessment Fee for each foreign transaction made with your ATM Card (i.e. any transaction made outside of the United States or in a foreign currency), as disclosed in the Schedule of Deposit Account Charges.

Documentation Of Transfers
1. ATMs: You can get a receipt at the time you make an ATM Transaction to or from your account using an ATM.
2. POS Terminals: All your Network POS Transactions will be reflected on your Business Deposit Account Statement. You may also receive a receipt at the time you make a Network POS Transaction from your checking account using a POS terminal.
4. MasterMoney Purchases: All your MasterMoney Purchase transactions originated with your MasterMoney BusinessCard Debit Card will be reflected on your business checking account statement. You may also receive a copy of a signed sales draft as your receipt at the time you make a MasterMoney Purchase.

CARD TRANSACTIONS – MASTERMONEY RULES

MasterMoney Rules

Additional rules (the “MasterMoney Rules”) apply when you use your MasterMoney Business Card. MasterMoney Rules are stated in this section of the BEB Agreement. Further, the provisions in this Contract as they apply to MasterMoney BusinessCards are subject to the operating regulations and other applicable requirements of MasterCard International® as they may be amended from time to time. By receiving, retaining, signing, activating, using or authorizing others to use your MasterMoney BusinessCard, you will have accepted the MasterMoney BusinessCard, and agree to be bound by the terms and conditions set forth in this Contract, this BEB Agreement, and the MasterMoney Rules. Each time you use the MasterMoney BusinessCard to purchase goods or services, or to obtain cash from your Checking or Savings Account, you authorize us to debit or credit your account in the same way other transactions are handled.

Card Limit and MasterMoney Holds

Your Card limits are described above. If you attempt to use your Card to make a transaction which would exceed your Card limit, we may, in our sole discretion, choose to authorize the transaction, unless otherwise provided in this Agreement. These transactions will count towards your authorized Card limit.

You agree not to make any transactions which may be prohibited under state or federal law, and we have the right to decline and block such prohibited transactions.

A “MasterMoney Purchase” is a purchase made at a MasterCard® merchant which follows the credit card authorization process. At the
time your MasterMoney Purchase is authorized, a “hold” will be placed against your available Checking Account balance for the total dollar amount of the authorization. The hold will be maintained for a maximum of three (3) Business Days. The hold will be released sooner if the purchase amount is automatically debited from your Checking Account before the end of the three (3) Business Days, providing the transaction authorized matches the transaction clearing your account.

Please note that the dollar amount of the hold may vary from the actual purchase amount, especially for some hotels, car rental agencies, restaurants, gas stations, and other merchants who typically request higher authorizations than the actual purchase amount. People's United will place the hold based on the authorized dollar amount. Some merchants, such as car rental agencies, may accept the MasterMoney BusinessCard for payment, but not to make reservations.

For purposes of the MasterMoney Rules, purchases completed on holidays, weekends, or after 3 p.m. ET Monday through Friday are considered part of the next Business Day. The first day of the hold for these purchases will be the next Business Day. You may verify the amount which is on hold on a daily basis by calling the Call Center number indicated on the last page of this Contract, or via People's United Online.

Your Card Does Not Include a Credit Line

Your MasterMoney BusinessCard is not a credit card. Your Card purchases will be approved based on the available balance in your Checking Account. If you attempt to make a transaction at an ATM or a one-time transaction using your Card for an amount greater than the available balance in your account, we will use commercially reasonable efforts to prevent the authorization of the transaction.

Your Liability For Unauthorized Use of MasterMoney BusinessCard

If you permit someone else to use your ATM Card, including your MasterMoney BusinessCard, you are liable for any transactions made by that person, even if that person exceeds the authority you have given them. You must give us notice in writing to revoke such permitted use.

We have voluntarily capped your liability for unauthorized MasterMoney Purchases following MasterCard’s U.S. region rules, with the following exceptions: (a) you or someone you permitted to use your Card received a benefit from the purchase, or (b) the Card was used by a person who had actual, implied or apparent authority. Your liability is $0 if you meet the following conditions, or a maximum of $50 if you do not meet these conditions: (a) you demonstrate that you have exercised care with your card, (b) you have not reported two or more incidents of unauthorized use on your account within the preceding twelve months, and (c) your deposit accounts are in good standing.

Your liability for unauthorized transfers using your MasterMoney BusinessCard will be governed by this Contract. However, liability for unauthorized use of your MasterMoney BusinessCard may be limited for business customers under the following circumstances:

(i) Your BIN was not used as the verification method for the unauthorized use; and
(ii) You exercised reasonable care in safeguarding your MasterMoney BusinessCard from risk of loss, theft, or unauthorized use; and
(iii) You have not reported two or more incidents of unauthorized use in the preceding 12 months; and
(iv) Your Business Deposit Account is in good standing.

For purposes of the MasterMoney Rules, “unauthorized use” means the use of your MasterMoney BusinessCard by a person other than you, who does not have authority for such use and from which you receive no benefit.

If you meet all the requirements specified above you may have zero liability for the “unauthorized use” of your MasterMoney BusinessCard.

Documentation Of Transactions And Notification Of Errors

You may receive a copy of a signed sales draft as your receipt at the time you make a MasterMoney BusinessCard purchase. All your MasterMoney BusinessCard purchase transactions originated by the MasterMoney BusinessCard will be reflected on your monthly Business Checking Account statement. OTHER BEB AGREEMENT PROVISIONS

Our Business Days

For purposes of this BEB Agreement, our business days are Monday through Friday, including holidays on which our offices are open in the state where your account was opened. Holidays on which we are closed are not included.

Stop Payments

1. Your Right to Stop Payment: If you have told us in advance to make regular payments out of your checking account, you can stop any of these payments.

2. Here's How: Call us at the People's United Call Center at any of the numbers listed on the back of this Contract, or write us at:

   People's United Call Center
   P.O. Box 7001, Bridgeport, CT 06601

   in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we also require that you put your request in writing and get it to us within 14 calendar days after you call.

3. What Happens if We Don't Stop Payment: If we receive your order to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we may be liable for your losses or damages. If we are liable we will then have your rights, if any, against the person who was paid. If the person who was paid was entitled to be paid, we may charge that amount to your account after learning of that fact.

4. The Effect of a Stop Payment Order: If you give us a stop payment order, we'll only stop that particular payment. When a stop payment order applies to more than one debit entry, the order remains in effect until the entries have been stopped. If you have authorized a third party to make preauthorized transfers from your checking account, and if you want to stop all further transfers from your checking account by that third party, you must take the following actions:

   (a) Send to the third party a written revocation of the payment authorization previously given by you to that third party; and

   (b) When you call us and/or write us to place a stop payment order, you must specifically state that you would like to stop all future payments to that particular third party.

   (c) We may confirm that the third party has received your written revocation and we may require you to provide us with a copy of the revocation.

Our Liability For Failure To Make Transfers

In performing under this Business Electronic Banking Agreement, you acknowledge and agree that we shall not be liable or responsible in any manner whatsoever for any errors, delays, equipment malfunctions or any other acts or omissions except where we have acted in bad faith. Without limiting the foregoing, we shall not be liable or responsible for delays or errors occurring by reasons or circumstances beyond our control. In no event will we be liable for special, incidental or consequential damages. We will not be responsible if you do not have enough money in your account to make a transfer or if you have a credit facility with us and the transfer would cause you to go over your credit limit.

We are also not liable for any failure to make transfers to or from your account, or for transfers made in the wrong amount. For instance, we will NOT be liable:

1. If, through no fault of ours, you do not have enough available funds (including your Business Overdraft Line) in your checking account to make the transfer.

2. If the ATM where you are making the withdrawal does not have enough cash.

3. If the ATM was not working properly and you knew about the
breakdown when you started the transfer.
4. If the Telephone Banking System was not working properly and
you knew this before you completed the telephone call.
5. If circumstances beyond our control prevent the transfer, despite
reasonable precautions that we have taken.
6. There may be other exceptions stated in this Business Deposit
Account Contract with you.
7. If you failed to receive a confirmation number for each set of pay-
m ents or transfers during your People’s United Business Online Banking
session.
You agree to indemnify and hold us harmless from any and all
losses, costs, damages, claims and expenses, including attorneys’ fees,
 arising out of or in connection with any authorized or unauthorized use
of any of our services described herein, including, without limitation, use
of any card, PIN or other access code or device.

Changing Terms Of This Agreement
We have the right to change any of the terms of this BEB Agreement
from time to time. When and if required by applicable law, we will notify
you before making such a change.

BUSINESS FUNDS AVAILABILITY POLICY:
YOUR ABILITY TO WITHDRAW FUNDS FROM YOUR ACCOUNT
Check Clearing
When you cash a check, or deposit a check to your account, it must
be sent for payment to the institution on which it is drawn. That institu-
tion will either pay the check or refuse payment and return it to us. This
process of sending a check for payment to the bank on which it is drawn
is called “check clearing”.

During this check clearing period, we may or may not allow you
to withdraw funds in cash, and we may or may not use the funds to
pay checks or other items that you have authorized. If we allow you to
withdraw or use funds which are not yet available, we may charge you
an overdraft or uncollected fee, as appropriate.

Determining the Availability of a Deposit
The length of a delay in funds availability is counted in Business
Days from the day of your deposit. A “Business Day” means every day
except Saturday, Sunday, and federal holidays. If you make a deposit on
a Business Day that we are open, we will consider that day to be the day
we receive your deposit, if you make the deposit:
• in person to one of our employees.
• before 3:30 p.m. for the total of your deposits or any
  transfers at one of our ATMs.
• before 7:00 p.m. for telephone or eTreasury+ Business
  Online Banking Transfers.
• before 7:00 a.m. for deposits made at a night depository.

If you make a deposit after the cut-off time, or on a day we are not
open, we will consider that it was made on the next Business Day we are
open. The length of the delay varies depending on the type of deposit
and is explained below.

Same Day Availability
The following deposits will be available on the Business Day we
receive the deposit:
• Funds from electronic direct deposits to your account.
• Cash deposited in person to one of our employees.
• Wire transfers and preauthorized credits, such as social
  security benefits and payroll payments.

Next Day Availability
Funds from all other deposits of checks payable to you, including
the following deposits are available on the first Business Day after the
day of your deposit:
• U.S. Treasury checks that are payable to you.
• Checks drawn on People’s United Bank.
• State and local government checks that are payable to you,
  provided they are deposited in the same state as the state or
  local government unit that issued the check.
• Cashier’s, certified, and teller’s checks that are payable to
  you.
• Federal Reserve Bank checks, Federal Home Loan Bank
  checks, and postal money orders, if these items are payable
to you.
Longer Delays May Apply
Funds you deposit by check may be delayed for a longer period under the following circumstances:

• We believe a check you deposit will not be paid.
• You deposit checks totaling more than $5,000 on any one day.
• You redeposit a check that has been returned unpaid.
• You have overdrawn your account repeatedly in the last six months.
• There is an emergency, such as failure of communications of computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available, unless, at the time of notice, we do not know when the funds will be available because we do not know the duration of the emergency. They will generally be available no later than the sixth Business Day after the day indicated by the above availability schedules.

Special Rules for New Accounts
If you are a new customer, the following special rules will apply during the first thirty (30) days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first $5,000 from a day’s total deposits of cashier’s, certified, teller’s, travelers, and federal, state, and local government checks will be available on the first Business Day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over $5,000 will be available on the sixth Business Day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first $5,000 will not be available until the second Business Day after the day of your deposit. Funds from all other check deposits will be available on the sixth Business Day after the day of your deposit.

Check Cashing - Holds on Other Funds
If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

We reserve the right not to cash checks for non-customers, even if they are employed by you.

Holds on Other Funds (Other Accounts)
If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Endorsements
The reverse side of your check has a special area approximately 1 1/2 inches long for endorsements by payee(s). This area for endorsements is limited by federal regulation. All endorsements by payee(s) on the check must be made within the designated area. If you, or any other endorser makes any mark outside of this special area it may cause the check to be misrouted or payment to be delayed. You agree to reimburse us for any loss or expense we incur as a result of your failure, or the failure of any endorser of the check, to comply with this requirement.

Special Rules for Canadian Checks
Funds deposited to your account by a check drawn on a Canadian bank located in Canada, drawn in U.S. dollars or in Canadian dollars, (“Canadian Check”) will be available on the third business day after the day deposit. All Canadian Checks will be treated the same for availability purposes regardless of whether they are personal checks, government checks, cashier’s checks, certified checks, or teller’s checks. We in our sole discretion, reserve the right to refuse to accept any deposit of a Canadian Check. We may instead send it for collection or accept the deposit but delay the availability of funds beyond the times discussed in this Section for any reason or for no reason at all.

SUBSTITUTE CHECKS
NOTE: The People’s United Bank Substitute Check Policy does not
apply to our business customers. The information below is provided only to inform our business customers that they may receive substitute checks in their statements.

Substitute Checks
WHAT IS A SUBSTITUTE CHECK?
To make check processing faster, federal law permits banks to replace original checks with “substitute checks.” These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: “This is a legal copy of your check. You can use it the same way you would use the original check.” You may use a substitute check as proof of payment just like the original check.
Some or all of the checks that you receive back from us may be substitute checks.
